Grand Knight's Report

By Bernie Laituri, Grand Knight

After the mission and all the dinners April looks to be a quieter month. Still the Day of Sharing, my personal favorite K.O.C. activity, coincides with a food drive to benefit Saddleback Outreach. Both take place on the 16th and both need

volunteers. Either one guarantees a glimpse at the beauty of the heart moved to charity by Gods love. Lastly we will host one more Lenten Dinner featuring Jays' fish stew on Good Friday, the 22nd.

This summer is going to offer opportunities galore for the golfers. May 12 is the State convention tournament in San Diego, our own Don Miller Memorial is in June, and the Friends for Life Golf Classic, with proceeds

going to purchase 4D ultrasound machines through the UltraSound Initiative, is July 11.

I was told at the last chapter meeting that the Knights are about "saving lives and changing lives". I believe our council is presenting opportunities for each of us to do just that. All that's lacking is a yes on our part.

I pray you have an Easter filled with the love of our Risen Lord.

Bernie

Seven of Our Knights Joined Biggest 3rd Degree

Knights from different councils of Southern California formed the biggest ceremony for the 3rd degree exemplification last Sunday, February 27, 2011. There were 172 of them. Our very own Bishop William R. Johnson Council #9487 contributed 7 illustrious knights in that ceremonial. The attendees were David Michael Belz, Pedro Espinosa, John T. Hanus, Patrick Larkin, Dominador "Jun" Laudencia, Jose Lopez, and Christopher Poli. The rite was done at Pope Pius V Church Parish Hall in Buena Park. Several sideliners attended and witnessed the ceremony.

It was done in a revised, experimental form.

This was the first time that the ceremonial format was changed in a very long time. The faithful sideliners were Robert Birtza, Bill Breen, David Belz, father of David Michael Belz, Joe Vincent, Jeffrey Rodriguez, Eric Schechter, GK Bernie Laituri, Ricardo Teano, John Ojeda, and PGK Charlie Young. The honoree of this ceremony was PGK Denny Riopel, past Grand Knight of the Pope Pius V council and a long time sponsor of the Columbian Squire program. The much

awaited steak dinner followed right after. We were joined by the gracious presence of Alicia Espinosa, wife of Pedro, Linda Laituri wife of our grand knight and Mrs John Hanus. Our gratitude to the generosity of the owners of the 4 vans that provided the carpooling transportation at this time of high priced gasoline. They are Charlie Young, Bernie Laituri, John Ojeda, and Eric Schechter.

Vivat Jesus,
Ricardo Teano

Day of Sharing Coming Soon!!

The annual Day of Sharing is a carnival for our Intellectually Disabled brothers and sisters who reside mainly in Orange County. It will be held the morning of Saturday, April 16th in the parking lot of Maryknoll, the offices of our Diocese. The leading organization is Knights of Columbus Orange County Chapter Charities, of which our Council is a member. Chapters exist in five large Knights of Columbus jurisdictions, which are usually states. There are Chapters in California, Texas, New Jersey, Pennsylvania, Ohio, and one or two other states.

Day of Sharing "customers" greatly look forward to this event and every one who plays any game leaves a winner. The Knights cook a very nice BBQ lunch. In

the past few years, our Council has participated by running a game booth and helping set-up. **If you want to set-up, meet in Santiago parking lot near the patio at about 7:00 AM. We need to depart by 7:15 AM. We will work for about 30-45 minutes and break to attend mass in Maryknoll's beautiful chapel. We then finish-up, stay for opening ceremonies, and depart at about 10:30 AM.** However, you are most welcome to stay as long as you desire. We will have a sign-up sheet at our Council's April 6th meeting or you can just show-up on the 16th. This is a wonderful event and you are guaranteed to walk away feeling good about yourself and the Knights of Columbus.

Now comes the money part. Day of Sharing operates on a shoestring budget. Everyone has already received a mailing asking to purchase raffle tickets to fund this event. If you tossed-out thinking more "junk mail", don't despair. In this Newsletter is a sheet of raffle tickets that you can mail to the name and address listed. Any amount, even \$5.00 for one, will help. **Donations collected @ our upcoming Council Business Meeting will be donated to the Day of Sharing.**

Jerry Gau Memorial Scholarship Program

My brother Knights as we enter the second half of the 2010/2011 Columbian year I would like to review and remind regarding the council's Jerry Gau Memorial Scholarship program.

The eligibility period is the traditional school year for pre-school through high school (Sept-June). The assistance is rendered at the completion of the year not in preparation. For students enrolled in Catholic colleges or universities the requirement is the completion of a minimum of one full semester during the same time frame. Student's need to submit a brief statement to the council relating their experience and thoughts regarding a Catholic

education. The Knight parent is required to send a letter acknowledging and agreeing to accept scholarship assistance from the council.

These letters need to be received by the scholarship chairman, Grand Knight or Deputy GK no later than the 10th of May so that they may be presented to the council officers for approval at the May officers meeting. These letters may be mailed, e-mailed or delivered in person. The checks will be made out to the Knight parent and issued at the June general meeting. Reminders will be included in future bulletins.

April "Family" of The Month

The mission was such a large undertaking requiring a tremendous effort by so many that I wouldn't feel right leaving anyone out, so the Family of the Month is the Mission Family. It includes all who planned, prepared, cooked, cleaned, served, babysat, raised funds, prayed or contributed in anyway to the success of the mission. You should all be proud for feeding the physical & spiritual needs of our parish.

Recycling Report

Another Great Month: \$304,371

I thank all of you and "God Bless" all of you for another great recycling month. A special thanks to Monday & Tuesday Crew for their dedicated work of pick-up from the trailer parks. It does not go unnoticed. For March we made \$2,352 raising our total earnings to \$304,371. We are "Blessed" with a group of very dedicated people and we are grateful to all of "YOU". We continue to see new faces and appreciate their help. This ensures us a very successful program. A total of 70 people were their throughout the morning that includes 20 Knights and 50 or more teenagers that showed up. We appreciate all of the knights that showed up and supervised the young people. We continue to need your help to supervise.

Tiffany continues to collect the pop-tops for Ronald MacDonald house. If you can assist for a very good cause and collect these for her there is a large container in the vestibule of the church where you can deposit the tabs. This is a wonderful cause to contribute to.

Thanks and "Hats Off" to all listed on pg. 6 and our Monday, Tuesday Group for a "TERRIFIC JOB".

We are in need, however, of additional assistance on Monday and Tuesday mornings; we have recently lost a truck and are seeking anyone from the Council who might be available Monday mornings that can help haul. See the map of where to meet on the last page of this newsletter and contact George Nothhelfer @ Hgnothhelfer@cox.net if you can help.

Due to all of the people that showed up we do not have enough room in the article to list all the names. We appreciate all your dedication and it is Greatly APPRECIATED. The following is an overview of our earnings by recyclables:

Four New Members

Four new members signed in and joined the ways of the knights of columbus. last Thursday March 10. They are local parishioners of our church Santiago De Compostela and would like to be more involved in its various activities. Truly the Knights of Columbus organization is a good bridge , a good stepping stone to become closely involved with the church.

The fortunate four members are Charles Armstrong, Roger Cazian, Jose Goncalves and Ignacio Mena. There 1st degree welcoming rites was celebrated at St Edwards Church Knight Hall in the city of Dana Point. The honoree of the ceremonial was the holy and newly canonized Brother Bessette of St Joseph Church in Montreal , Canada. The compassionate sideliners brothers who were present to lend support to the new knights were the Gk Bernie Laituri, Financial Secretary John Ojeda and Ricardo Teano. Our warm welcome to the new knights. Contributed by Ricardo Teano

Truly who could be more deserving than Robert Birtja to be chosen as Knight of the Month of March. He has unselfishly gives his time in support to our Council since he joined the knights. His numerous contributions include hours and hours of recycling work on every second Saturday of the month, cooking and serving food at breakfasts and dinners sponsored by our Council, setting up booths during our church festivals, and bringing down church decorations after Christmas.

Additionally, Bob has helped in the basketball free throw contest

The Third Notice for 2011 Dues will be sent right after the 1st of April. This is another reminder that dues have not been paid for 2011. This Notice is not meant to remove you from our membership rolls. Your dues are important to our Council. Supreme, State and Chapter all charge us a per diem based on membership figures. I know many of you may have just forgotten or may need more time.

No member should worry about being dropped due to economic hardship. You just need to contact your Grand Knight Bernie Laituri at 949-770-5468 or

Hblaituri@aol.com or John Ojeda at cell 949-813-4320 or Hjohn.ojeda@cox.net. If you need more time to pay, or if you are unable to pay this year contact us.

Third Notices Coming

Bishop Johnson Council is not just about collecting dues but we donate money to many worthy charitable events. We have given over \$100,000 to Santiago de Compostela Church, \$15,000 each to Birth Choice and Mary's Shelter, and \$7,000 to St Vincent de Paul of our Parish. You can also volunteer at many events such as First Friday Vigil, Wheelies, Recycling, or one of the many Ministries of our Parish.

We all decided to become Knights for good reasons. If you have questions or concerns about any of these contact Bernie or me.

God Bless,
John Ojeda
Fin'l Secy

March Knight of the Month: Robert Birtja

and also helped distribute free turkey dinners last Thanksgiving all worthy programs , the former for the youth and the latter for the needy. In addition to his spirit of volunteerism, he joins whenever he can to give support to the new incoming members as a sideliner during degree advancements. He said he would like to share the same feelings of acceptance that was given to him when he was just starting his first degree.

Bob believes in the so-called cafeteria Catholic and that is to help whenever he can.. Before he joined the knights, he was already helping

at the St Killian's church fish fry lenten dinners where he works the lowest of low jobs- washing pots and pans. This big of a man is a retired person, enjoying life with his wife Susie, a physical therapist at Mission Hospital, and two daughters, Christine, a school teacher and Michelle Cooper, a paralegal. Bob has 4 grandchildren: Caitlin (9), Carson (5), and twins Amber and Ashley (3), whom grandpa Bob babysits. Please join me in honoring Bob as an outstanding knight of the month, an honor he truly deserves.

Parish Family Mission A Success!!

Hip, hip, hurray to the Bishop Johnson Council Knights of Columbus!

Collectively, we funded the Mission, worked the Mission and attended the Mission. I can't think of another event that involved so many brother Knights. Every evening dinner Monday through Thursday at least 7 Knights worked as cooks and few worked more than one night. Special thanks to Dave Atkins who made the food purchases, cooked the food and managed the kitchen all four evenings. And if you missed John Blaney's Irish dinner on St Patrick's Day you missed a real treat. John cooked the corned beef for two days, I'm certain we feed some 160 people on St. Patrick's Day alone. The left overs were taken to Isaiah House where they were VERY well received.

Our Passionist leaders Father Bob Weiss and Father Enno Dango we're honestly over whelmed by the Knights generosity. Past Grand Knight Bill and wife Pearl hosted the priests all four nights at their home. Past Grand Knights Dick Petrash and Charlie Young took them to lunch on Wednesday and they'll were still talking about the food when they left Thursday. Additionally the Knights had 5,000 prayer cards printed while the Mission priests we're here and the grand finale paid to have Fr. Bob's truck repaired, in all generosity from the heart and wallet.

Average Mass attendance Monday through Friday was 135. Dinner attendance during the same time frame averaged 115 and the evening talks, averaged 348. The survey indicates it was an overwhelming success; I'll share comments and statistics from the survey next month.

While the financials have not yet been finalized, I'll report them as soon as the books close. This we know, we'll be sending them a check. Again, thank ALL of you and if you have the opportunity thank Fr Dave for his kindness and leadership in support of the Mission.

Insurance Report

Long Term Care Insurance in Your Retirement Plans

Medical sciences has giving us the ability to live almost 15 to 25 years longer after retirement. With the average life expectancy into our 80's, people need to be planning for the additional risks that come with a longer life span.

The main concern of most retiree and seniors including outliving assets, maintaining the current assets from inflation, and preserving good health and independent lifestyles.

One of the greatest risk to retirement planning is the cost of long term care. Most people over the age of 65 will need some kind of long term health care services, either at home, in a nursing home facility or in an assisted living facility.

The national average of long term care costs ranges between \$50,000 to \$60,000 per year. Seniors spend more on out of pocket medical bills than the rest of the population. These may include out-of-pocket medical expenses, prescription costs, insurance, doctor expenses, and more. The costs of long term health care for a person with diabetics, Alzheimer's, severe arthritis, dementia, are so potentially high that it could wipe out any assets the person has. The average long term care for a diabetic would costs about \$200,000 for 4 years, and over \$400,000 for a person with Alzheimer's disease. Have you planned how you would pay for your care if your health changes for the worse. Have you considered the costs of your care on your whole family? With long term care insurance you can be in control of where, when and how you will receive your care.

Are you relying on Medicaid (Medical) to take care of you? Medicaid's tight eligibility requirements makes it harder for most people except the very poor to receive benefits. Even now, state governments with budget deficits are working to tighten restrictions as to who can qualify for Medicaid assistance.

You've spent a lifetime building your assets and estates. Why not take the steps necessary to minimize it against risks. Using Long term care insurance as a risk management tool is the smart thing to do.

Please give a call and we can discuss affordable solutions – (949) 322-7266
