Grand Knight's Report

Much accomplished in April, and more to come

by Bernie Laituri, Grand Knight

Worthy Knights, April is behind us.

We said goodbye to Robert Ramos, a good friend and brother. We provided a fun day in the sun for 475 of God's special children at the Day of Sharing and collected over 720 pounds of food on the same day.

The Good Friday dinner all but sold out and we did all the works that we do every month. In the midst of all this I hope you still found time for prayer and renewal in the preparation for Easter.

In today's Gospel Mary Magdalene didn't realize she was talking to Jesus until he called her name. How many times have we met Him in our brothers and not recognized Him? This month I ask you to look to those around you and seek the face of Christ in them all and to let that same face be the one that they see when they look at you. If we can do this, all the rest will be gravy.

This year's KofC Tournament to be held June 5 in San Juan

Council 9487 presents the annual Knights of Columbus Golf Tournament Sunday, June 5, at San Juan Hills Golf Club. It begins with a shotgun start at 12:30 and is open to all players, men and women. Prizes will go to winners in the challenge holes and putting contest, plus the 50/50 drawing.

The reasonable fee is \$110 per person, which includes golf, lunch, awards banquet and dinner. Extra dinners will be \$25 a person. Brother Jim Marchetta is coordinating the tournament again!

There will be hole-in-one prizes on all par three holes. (The first hole-in-one on each hole.)

Cash donations will be appreciated. For other details or sign up sheets, call Jim Marchetta (714-548-8685) or Pete Kellen (949 586-5088). Thanks in advance for your support.

– (See full page flyer on page 3 of this Newsletter).

Veterans family barbecue is July 2

by Jay Donahue

The Knights will hold the Santiago veterans Family Barbecue after the 5 p.m. Mass on Saturday, July 2.

The Knights stress family involvement, and those of us who served, know that families play a large part in allowing us to serve.

A posterboard will be available to post pictures of veterans' families as we've done in the past.

If you are a veteran and can find a picture of yourself in uniform along with a family member, it can be posted with names date and location.

If a father or other family member who served his country (if you did not) we welcome a picture of you both.

For more information, call Jay Donahue at (949) 586 3076.

Provider Pathway, a long-term care policy, brings added value

by Mark Yubeta, Field Agent

Since its addition to the Order's product portfolio in 2000, long-term care insurance has provided us with an excellent opportunity to further serve Knights and their families.

And for our long-term care clients in the United States, a Knights of Columbus long-term care policy brings added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates.

The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently an LTC policyholder, I suggest that you and I get together so that I can provide additional information on how you can avail yourself of this valuable, value-added benefit.

I'm at (949) 322-7266. Call me – let's talk.

Recycling Report

April program was \$2,283; All-time total tops \$300K

by George Nothhelfer

I thank all of you and “God Bless” all of you for another great recycling month.

A special thanks to the Monday and Tuesday crew members for their dedicated work of pick-up from the trailer parks. It does not go unnoticed.

For April we made \$2,283 raising our total earnings to \$331,716. We are blessed with a group of very dedicated people and we are grateful to all of you.

We continue to see new faces and appreciate their help, which ensures us of a very successful program. A total of 43 people were their throughout the morning on Saturday, and that includes teenagers that showed up for their community service hours.

We appreciate all of the Knights who showed up to work and supervised the young people. We continue to need your help to supervise.

•••
Tiffany and her Mother continue to collect the pop-tops for Ronald MacDonald house. If you can assist for a very good cause and collect these for her there is a large container in the vestibule of the church where you can deposit the tabs. This is a

wonderful cause to contribute to.

Thanks and “Hats Off” to all listed below and our Monday, Tuesday Group for a terrific job:

Last month we provided a summary of the items we recycle and how each contributes to the bottom line. We again did very well with the green glass and plastics.

Serra student Carlos Alvarez wins contest with essay on Catholics' responsibility

Eighth grade students at Serra Catholic School took part in the Knights of Columbus essay contest recently.

This years theme was "The Responsibility of the Catholic Citizen in a Free Society." Three judges reviewed the 14 entries and top three were chosen by the judges.

They are Carlos Alvarez, Carissa Essex and Nathan Reutimon. All contestants received a Certificate of Appreciation, and the top three are getting \$20 in iTunes cards apiece. Here is the one entry all judges agreed on.

– John Ojeda, PGK

by Carlos Alvarez

"We are in the world, but not of the world." This message, proclaimed by Jesus Christ, symbolizes what He intended his disciples to do as people in the world. As responsible Catholic citizens we are called to be advocates for those in need and therefore be people who are in the world, but not of the world. Being in the world means that we are living as God intended us to by doing good deeds, while being of the world means that we are consumed by the ideas and values of the world that draws us away from our Father.

As Catholics in a free society, we are called upon to help be less self-centered, thus allowing them to understand that life on earth is only preparation for eternity. Some ways we can do this is by taking the focus off material possessions and committing acts of kindness to everyone we meet. This will allow these people to realize the grace that God has given to humans and allow them to grow closer to our Creator.

A responsible Catholic citizen should also encourage people to not solely use God to fulfill their own wishes, but instead allow God to use them to spread the Good News of our Lord, Jesus Christ. Doing this allows us to be advocates of our faith and shine the bright light of God's word. Another example of how we can help others develop an appreciation for life without worldly possessions is to talk to them about God and explain to them how our life on earth is temporary and not a final destination. In doing this, it will help them achieve a greater understanding of the Father and see all that He has done for us. Jesus Christ calls Catholics to be his foundation and be leaders in spreading his Good News for everyone to realize the divinity of our Messiah. Catholic citizens should play a major role in helping other people to be more humble which will allow them to turn away from their material possession and focus more on what matters most- Christ.

Catholic citizens are also called to serve through works of charity and social justice, which will enable Catholics to be in the world, not of the world. Some ways Catholic citizens can help others are by donating their time and money to local food banks and working at charity homes such as Toby's house. Toby's house is a place where young, unmarried women, who have newborns, stay after they have been evicted from their homes by their parents. Donating time in these facilities, goes along with the true spirit of an advocate, and allows for these poor women to get back on track and look for a brighter future with God. Another way Catholics can be advocates is by standing up for those left alone, such as older people, and by demonstrating comfort and compassion by conversing with them. In addition, communicating with the outcasts of society makes them feel wanted and important and allow these individuals to hopefully experience the healing spirit of God. Performing these good deeds allow Catholic citizens to make the most of their time on earth. Through these acts of charity and social justice, Catholics can help unite and bring harmony to this wonderful planet.

I believe that catholic citizens have a definite responsibility to be advocates of God's word and to use their God-given gifts to assist those who are in need. In this manner, Catholics can truly live out the meaning of being in the world, and not of the world. As Jesus once said to his followers, "Take care! Be on your guard against all kinds of greed: for one's life does not consist in the abundance of possessions." Anyone can say that they are Catholic, but it takes a true person of faith to look beyond their own needs and become an advocate of God's message of salvation.
