## Grand Knight's Report

## Recognizing human weakness and hiding it from others

BY MICHAEL KLETT, GRAND KNIGHT

Recently I suffered heat exhaustion at the OC Swap Meet. I need to add all of the typical words of wisdom: drink plenty of water, find shade, and don't overly exert yourself in the heat. In other words, don't make the mistakes I made. But that is not the point of this.

I was seemingly doing OK when it hit me. All I could do was find some shade and a slightly cooler spot before I passed out.

There were lots of onlookers and the first aid staff came to minister to me. The macho male ego was embarrassed by my vulnerability. I didn't want help and I didn't want people to see me in that mo-

ment of weakness.

You see, most of us men knew we were bullet-proof in our youth. And it's exhilarating to watch athletes that appear to be supermen no matter if they're on the diamond, the gridiron, or the ice. But as we get "more mature" we start to see that we're not bullet-proof, we start to see our human weakness. And some of us don't like it. We want to hide that weakness from others. But in that vulnerability we are most human, we

## Past GK dinner was a night to remember

**GRAND KNIGHT** Mike Klett (r) and immediate Past GK Mike Lynch at Past GK Dinner.

BY MICHAEL KLETT, GRAND KNIGHT

Bishop William R. Johnson Knights of Columbus Council 9487 held its annual Past Grand Knights dinner on Sept.20 at the Foothill Ranch Outback restaurant.

The social event is the Council's celebration of the Past Grand Knights with an emphasis on the immediate Past Grand Knight. The dinner is open to everyone.

We had a good showing with 29 people in attendance. Many of the Knights brought their ladies to help celebrate.

The crowd started gathering a little before 5 p.m. with appetizers and drinks. The menu consisted of steak, fish, chicken, pasta, and more.

After the entrees were ordered Grand Knight Michael Klett stood up to give an eight-page speech. Deputy Grand Knight Roger Sonnenfeld called for a motion to dispense with the reading of it. The motion was seconded and was

## Knight of the Month

# George Klett

BY MICHAEL KLETT, GRAND KNIGHT

Our October 2015 Knight of the Month is brother George Klett. Brother George is one of the newest and youngest members of our Council. He is also very near and dear to my heart, he is my son.

Brother George has been an honorary Knight for as long as I have been a member. Before we moved to Lake Forest he served as my squire when I marched in regalia and served next to me at many events including Salvation Army bell ringing, pancake breakfasts, and the Tootsie Roll Drive.

At Santiago, he is the current Parish Festival DJ. He took over that role at last year's festival and will again be mixing at the board at this year's festival.

He worked in the kitchen for several events before receiving the honors of the First Degree at our general business meeting in August. He continues to enjoy working in the kitchen for our dinners and breakfasts.

If you've been there you've no doubt heard Brother Knights yelling, "George!" to get his assistance with almost every job in the kitchen. I've heard the claim that he does the work of five men.

I think it's his youth that gives him the energy to work so hard.

Please join me in congratulating brother George Klett, my son, for being the October 2015 Knight of the Month.

work of the laity is their role as  
stewards of the Christian family  
and therefore the  
domestic Church."

## Insurance Report

# Raising awareness about life insurance

BY MARK YUBETA, KOFC AGENT

Since 2003, each September has been designated as Life Insurance Awareness Month.

Like most awareness-raising campaigns, it was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public.

Each year, the Life Insurance Market Research Association (LIMRA) releases the results from a survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance.

Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own.

Maybe they did not know to who to turn to.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own.

My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision."

Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

are most reliant upon our creator.

I happened to be at the swap meet with a brother Knight. I felt terrible that I was delaying his return home as I struggled with the symptoms of the heat exhaustion. I wanted to get up and going to not be a burden. Yet, I know that if the tables were turned I would be happy to help him and not be bothered at all by a slight delay.

Why are we so eager to help a brother Knight and so embarrassed when we are the Knight in need? Let's work together, with His Grace, to overcome our pride and allow others to help us when needed.

I want to thank Brother Tom Sixsmith for volunteering to chair the Kneeler Committee that will be maintaining the kneelers in the church.

Brother Pat Walloch volunteered to Chair the Catholic Citizenship Essay Contest. And Brother Al

The Drive also contributes to Special Olympics and many more needed projects.

Brothers, we need your help to supervise the young people who do the heavy work.

## Gene Ganley Recycling Report

# September a good month; drop-offs have increased

BY **GEORGE NOTHHELPER, RECYCLE CHAIRMAN**

**News worthy Events:** September was a very good month (\$1,550) and Saturday was a great showing of our brother Knights.

I am grateful to all the Knights who came to assist us in our endeavor. We should have teens at our next recycle Saturday, Oct.10.

We have seen an increase in the weekly drop-offs at the drop off area and we thank all who are participating.

**Improvements:** We will be making some in the recycling area with a cover we will build over the area where high grade paper is stored for pick-up. We will also add a roof over the drop-off area.

In both cases this is to protect the recyclables from rain. With the upcoming rains we will need those improvements.

**Increases of Products:** We have seen a significant increase in the weekly drop-offs of all items including books.

If any of you are aware of any architectural firms in the local area we would like to contact them to pick-up their drawings.

We just picked-up another firm this last month. This paper is of great value since it falls into the category of high grade.

**Camp Pendleton Books:** We not only recycle the books but all children's books are sent to Camp Pendleton for the children. If you have any children's books that you would like to donate please drop them by and we will have "Bogie" take them down.

**George Nothhelfer** He does this every Monday morning. The families and children are very grateful for these books.

**Ronald McDonald House:** A lot of you may not be aware but Bonnie and Leaf Ranestad take the tabs off aluminum cans every recycling Saturday. There are lots of bags to go through since we save them through the month.

All hands are welcome to assist in the very worthwhile, noble program. It provides assets for parents to stay with their children while going through treatments. This is "God's Work."

...

We need more of "you" fellow Knights to support the program by dropping off your recyclables. This can be done anytime at the recycle area..

As they say the best support and programs begin at home and right know they are falling well short. All of you do not realize how important this program is to our council or we would have greater support.

We have made Star Council but not much of a star in support of recycling.

Here are a few suggestions for those who drop off the products:

- Drop off books, magazines, paper or glass in the area provided by the trailer and close the gate when done.

### **District Deputy's Message**

## **District Warden job will be available ... interested?**

BY JOHN PICCOLO, DISTRICT DEPUTY 116

I hope you all had a grand summer. Thank you to our District Warden, Mike Sofka, for completing the financial audits for three Councils while I was on an extended vacation. Also, thank you to the officers of Cardinal McIntyre, Bishop Johnson, and St. Nicholas Councils for your professionalism and hospitality that you extended to Brother Mike. Mike's first comment was how much he enjoyed meeting the men from other Councils.

Consider this a "Help Wanted" ad. I am in my final year as your DD and when Brother Mike replaces me, he will need a District Warden.

The time commitment would be very low and the main responsibilities would be assisting at officer installations and wherever the DD needs your help.

If you're a Past Grand Knight and want to further serve the Knights of Columbus who have been so good to you, please contact me. It is a most enjoyable job and you will not be disappointed.

...

In September, I attended the Los Angeles Archdiocese Prayer Breakfast with PGKs Charlie Young and Mike Sofka. The keynote speaker was former Notre Dame football coach Lou Holtz. The event started with the rosary, followed by Mass presided by Archbishop Jose Gomez with nine bishops and many priests Holtz's address was spiritual, inspiring, and entertaining (he even included a magic trick). He is 84 going on 54 and his speech was full of positive energy. I picked up a comment that he made towards the end of his half-hour talk:

If you want happiness for a day, play a round of golf. For a week, go on a cruise. For a year, buy a new car. For a lifetime, accept Jesus Christ in your life and follow his teachings. Vivat Jesus

## **Knights seek veto of suicide legislation**

**NEW HAVEN, CT** - Dear Brother Knight:

Please contact Governor Brown immediately and ask him to veto legislation legalizing physician assisted suicide.

Doctor prescribed suicide supporters are using a special legislative session to introduce legislation permitting this deadly practice.

The bill, the End of Life Option Act (AB 2x 15), has

already passed the Assembly and Senate approval is likely to happen soon.

Ask Gov. Brown to veto the anti-life

"End of Life Option Act." Call him at (916) 445-2841.

With your help, we can show the Governor how strongly his constituents support a Culture of Life.

Numerous associations of health care professionals, including the American Medical Association, the American College of Physicians, and others, have joined California's bishops in opposing physician assisted suicide.

A recent Knights of Columbus-Marist poll found that 61 percent of Americans do not want doctors to prescribe or administer lethal drugs.

Thank you for your advocacy efforts on behalf of the dignity of human life.

Sincerely,

**Special Thanks:** To our Monday morning crew for all the dedication and extra hours they put forth to make the program a success.

We need more of our retirees to help for a couple of hours on Mondays. We are in need of more walkers on Monday morning.

## DINNER

From page 1

carried in voting. This was pre-planned to be part of the entertainment for the evening.

The attendees saluted all of the Past Grand Knights including our Charter Grand Knight, Dick Gregg. Immediate Past Grand Knight Michael Lynch was presented a \$100 Visa Card so that he and his wife could enjoy a night out after all of the time that he gave to the Council last year.

He was also presented with his Past Grand Knight's ribbon.

After this brief presentation Grace was said by all and the food started coming out from the kitchen.

There was much pleasant dinner conversation and an enjoyable time was had by all. If you missed the PGK Dinner you'll just have to wait until next year for the next one.

## G.K. REPORT

### From page 3

Gamarra volunteered to be the Golf Tournament Director. Please say thank you to these brothers and help them out when and where you can. I am still looking for a chair for the free throw championship. Thanks to all the Brothers who helped with the Pancake Breakfast, we have another one this month.

In the coming month we're going to need help with the Parish Festival, Pancake Breakfast, Recycling, and the ID Drive. Please don't wait for someone to ask you to help. Instead step forward and start helping. Even better, approach another brother and invite them to help with you. Many hands make light work and I can think of no better way to get to know the brothers of your Council.

The Thanksgiving Dinner is back on – the Boy Scouts were gracious enough to work with us to make it possible. If you know someone in the troop please tell them Thank You.

Don't forget to eat Brizio's, dine-in or take-out, on the 6th. This is one of our easiest fund raisers and half of what you eat comes straight back to the Council. See the e-mail flyer for more details.

This month we are going to try something new. The officer's meeting will happen via e-mail. Too many people are away on Oct. 21 so we'll have people provide updates in e-mail.

Whew! Our plate and calendar is full. Join in the fun as often as you can. And I'll see you around the Parish...
