Grand Knight's Report

So many to thank for a memorable year

BY ROGER SONNENFELD, GRAND KNIGHT

What an honor it has been for me to serve as your Grand Knight for 2016-2017. I am so proud of the year we had together, supporting our priests and parish.

Again this year there was a Knights presence at all church events, from the Backyard Theologies, set up and tear down for the liturgical seasons, kneeler repair, Santiago Festival, Casino night, Golf Tournament and Lenten dinners, just to name a few.

Then there is the recycling team, what dedication to our Council, you are truly amazing. Nothing happens without you, my Brothers.

A huge thank you goes out to

Father Thomas and Father Greg for all the support they gave to our Council. That came by way of their appearance at many general business meetings, attending dinners and supporting us in the church with announcements or a kind thank you for what we have done to help them all year. I can't thank them enough.

At the Corporate Communion breakfast we honored our Knight of the year, family of the year and officer of the year. These three men and their families deserve a big thank you from all of us, for all they have done and will do in the future.

See GK REPORT, page 7

Knight of the Month

George Nothhelfer

By **PATRICK LARKIN, DEPUTY GRAND KNIGHT**

My brothers, it gives me great pleasure to announce our Knight of the Month for June, George Nothhelfer.

It has been said that a few Knights deserve this award every month. George truly is one of those men. His relentless passion for the Knights and Santiago de Compostela is unrivaled. It is a privilege to be in the same council as George and I am proud to call him my friend.

If it wasn't for George, I would not be nearly as involved in the Knights. From the first day I showed up at recycling, George's attitude made me want to come back for more. He is the only man on the planet that could get me to church at 6:30 in the morning in the middle of winter to help sell Living Faith books.

George actually started the Living Faith program. He's a Eucharistic Minister, chairman of the parish stewardship committee and head of our famed recycling program.

He works with the CLC group, the Santiago Camino committee, helps with RCIA, the patio committee and wheelies on Sunday. He also is an usher at the 8:30 mass and the church handyman. Man, my fingers are getting tired listing all of George's activities.

George has been married to wife JoAnn for 50 years and they are 30-year members of the parish. They have three sons, Brian, David and James and three grandchildren. When he has spare time, George enjoys birding, photography and taking emeritus classes at Saddleback College.

"I joined the Knights to serve the Catholic Church and enjoy the brotherhood the Knights offer," George said. "The favorite part of the Knights is being able to serve so many people in need through one organization and performing God's work. It's great to be able to identify with so many wonderful guys and support them in their journey of faith."

Family of the Month

Mike Hickey Family

The Mike Hickey family is definitely an integral part of the Santiago Community. Mike and his wife, Siobhan, are involved in the Parish Burrito Ministry, Santiago Festival Committee, Boy Scouts, Girl Scouts and Religious Education. And that's just a small sample of their involvement in the church and community.

They have two children, Sinead, 22, and Sion, 20. Sinead is a graduate from St. Mary's College, Notre Dame, and is currently serving a 28-month tour in the Peace Corps in Timor Leste, a small island in southeast Asia.

Sion is a sophomore at Oregon State University and is part of the Navy ROTC (Marine Select) Program.

Mike spent 22 years in the U.S. Navy and retired in 2000. He currently works as a contractor in the maritime industry at the Port of Los Angeles.

Gene Ganley Memorial Recycling Report

Help is needed Mondays, a truck for pick-ups would help

BY GEORGE NOTHHELFER, RECYCLE CHAIR

Newsworthy Events: April was a good month when the program raised \$1,572. We had a lot of good help on Saturday.

In Need of Help: We are in need of several people to help on the Monday morning crew and during the week to continue to keep our program going. With a rise in recyclables, we need assistance.

Monday mornings: We need someone with a truck that could make pick-ups at El Toro or Lake Forest mobile home parks (your trip will be reimbursed if you use your vehicle for pick-ups). We can also use walkers (it is great exercise) to put the bags of recyclables in the trucks. No heavy lifting involved.

During the week: We need a couple of people to come over and sort the goods that are in the drop-off area. This would be on a rotational basis of one week, one time during the month. You would have to check this area three times during the week.

Please contact me for additional information or to sign-up.

High-Grade Paper (ledger paper): If any of you are aware of any architectural firms in the area we would like to contact them to pick-up their drawings. This paper is of great value since it falls into the category of high grade paper. We have several accounts that contribute to our program. It can also be computer paper.

Ronald McDonald House: Thanks to Bonnie and Leaf Ranestad, for their dedication and support of the "Ronald McDonald House." It provides for parents, at no cost to them, to stay with their children being treated. It means a lot to the parents but especially the children. This is "God's Work."

Next recycle weekend. We look forward to seeing all of you Saturday, June 10. We serve coffee and doughnuts and refreshments when we finish up. Come and enjoy your Brother Knights' company. I know I will see a lot more of you there. We look forward to seeing our new Knights and enjoying the fun.

Special Thanks: A special thanks to our Monday morning crew for all the dedication and extra hours they spend making the program a success. Also to those who help dump glass. Without you it would be very difficult. Remember this is not for themselves, but for all the Council. These guys and gals are there more than Monday to keep up with other recycle projects (picking up books, and drawings) that make our program so successful.

We appreciate all those that came on Saturday who made the program a success: Bob Morgan, Dan Ramella, Bonnie Ranestad, Leaf Ranestad, Al Gamarra, David Keele, Ken Breneman, Richard Mills, Mike Wiles, Tom Sixthsmith, Stephanie DeLeon, Kevin Mooney, Hector Guzman, Alondra Rodriguez, Tyler, Paulson, Lanette Attabuatsi, Bree Yates, Nick Terrazas, Caleb Garcia, Nikhole Rojas, Brendan Woody, Allysa Castillo, Malyhea Hughstone, Alexandria Honzlick, Quinn Tary, Melanie Mendoz, Ariana Lopez and Pat Bole.

CONGRATULATIONS - GK Roger Sonnenfeld (l-r) and Ben Newinski were at St. Angela Merici Parish Hall as sideliners in support of Vince (Vinnie) Vasquez, who received the Third Degree.

Vince Vasquez gets Third Degree

On Sunday May 7 at St. Angela Merici Parish Hall, Brother Vince Vasquez received the Third Degree of our order.

Brother Vince is very active in our Council and currently heads up the Blood Drive program.

I look forward to seeing Brother Vince move into the officer chairs and taking a leadership role in Council 9487.

Brothers Ben Niewinski and I attended as sideliners and the ceremony which was quite beautiful in its message.

I would encourage all second degree members to step up and gain full Knighthood in our order by attending the next Third Degree in June.

Congratulations again to Brother Vince for this achievement.

FAMILY

From page 2

One of the Hickey's friend had this to say:

"Recently a family friend of the Hickeys and a member of our parish suffered a complete kidney failure and required a transplant. Sinead and Sion both volunteered to give a kidney. That in itself is a testament to the goodness that is this remarkable family unit."

The Hickeys love to travel and just returned from a trip to Singapore, Vietnam and Cambodia. They also enjoy camping and biking and the outdoors.

"Tony Walker, my best friend, encouraged me to join after we both completed our journey to become Catholic," said Mike. "I wanted to be involved with an activity or group within the church and to be part of a brotherhood of fellow Christians who collectively work together towards a common goal. The Knight's of Columbus was a perfect fit."

- Patrick Larkin, DGK

Communication is important to our Council

Bishop William R. Johnson Council has over 360 members.

It is impossible to hear from everyone in the Council on a timely basis. Many of us would like to share in our Brothers life events. Perhaps to congratulate, pay for, or offer our sympathies.

There is a way to let your Brothers know of a life event.

If you hear of a Brother who is ill, passed away or celebrating a special event you can always contact me.

I can be reached at john.ojeda@cox.net or (949) 813-4320 and I will try to communicate this information if the Brother or family wishes it.

You may also send off an email to communications@kofc9487.com.

You need to copy your Grand Knight, currently Roger Sonnenfeld at roger@accessxt.com.

The two Brothers then can help get the information out.

We are a Family, we practice Charity, Unity, Fraternity, and Patriotism. Please help keep your Brothers aware.

G.K. REPORT

From page 1

I have attached my thoughts about Brothers Ricardo Teano, Michael Ulibarri and John Ojeda. Please take a moment to thank them for their contributions to our Council 9487.

Knight of the Year

What a difficult decision to make. Looking around the room, I see so many faces that have done so much for our Council and the parish over the last Columbian year. I want to thank each and every one of you for your great work, the input you've given and the support you have shown me and your brother Knights over this year.

But, as I sift through the memories of the year and narrow it down to one individual that embodied what it means to be a Knight, it was not hard to identify a friend and a brother Knight to receive our 2016-2017 Knight of the year award: **Ricardo Teano**.

It comes as no surprise to anybody the effort Ricardo puts forth celebrating his faith and our brotherhood through his actions and volunteerism here at Santiago de Compostela and our Council

He actively participates in almost all Knights' events and is a top recruiter of new members in California. You can always find him after Masses distributing prayer books or recruiting new members.

Ricardo is also an altar server at daily Masses, donates his time and talents to many other ministries and so much more. His smile is infectious and his love of his faith is obvious.

Ricardo you do so much, we all love you and thank you for being a Knight of Columbus.

Family of the Year

Our 2016-2017 family of the year as always, is a very difficult decision. The difficulty is that I am actually going to break an unwritten rule that officers should not receive awards that are not designated "officer awards."

However, this family as a whole has been so instrumental in putting on and supporting just about every event we've held during this Columbian year.

From the many, many dinners including the three Lenten dinners and the casino night, the **Ulibarri family** has truly done it all. Many times this year I have come to help set up for an event and found Michael, Erin and their two great kids Meaghan and Nathan, setting tables, arranging chairs, cooking in the kitchen and serving food to guests.

What a shining example of dedication, Knighthood and family values you have shown to all of us this last year. From the bottom of my heart, Mike, thank you for all your service, Erin, thank you for supporting Mike and both of you for setting an example to your children of service through the Knights of Columbus.

Officer of the Year

This award goes to an extra special man. The role he performs is the one of most important roles within the Council, the equivalent of a full-time job. This individual handles, monitors and creates all of our communications with the Supreme Knight, keeps our officers on track and advises and guides the Grand Knight throughout the year. He led the annual Tootsie Roll drive again this year that raised tens of thousands of dollars to support those among us with intellectual disabilities.

By now you should all know I mean Brother **John Ojeda**. John you truly are an amazing man putting up with our shenanigans and being the cornerstone of Council 9487. I would also like to thank Mary for giving up John to participate in the Knight's work at such a high-level.

John, your diligence, knowledge, patience and guidance is truly respected. What you do for our Council is the key to our ability to serve and grow.

Insurance Report:

Fathers plan, protect for their families

BY MARK YUBETA, KofC AGENT

From the beginning, the Knights of Columbus has been a family-first organization. Father McGivney was striving to find Catholic men who could come together to protect and support the families in their communities who needed it most – including their own.

Today, the mission remains the same. And, as we celebrate Fathers' Day here in the United States, it's a great time to evaluate how we're doing.

KofC has more than \$100 billion of life insurance in force, covering the lives of hundreds of thousands of our members and their families.

Knights across North America continue to trust their Order to protect them and to see to it that their loved ones are well taken care of once they're gone.

And the numbers keep increasing. Last year was the 16th consecutive year of increased new business life insurance sales.

More and more members are preparing to leave behind legacies of protection for their loved ones.

But how are each of us doing on an individual level? How well protected are our families? Are we certain that the insurance that we have in place is enough to cover their needs? Is it enough to allow those left behind to remain in their homes, to attend college, to continue to live the lives their accustomed to? Would we even know how to begin calculating

and projecting those needs?

There are a lot of moving pieces and parts that go into calculating just how much your life is worth in dollars and cents. You're worth far more to your family than simply a number on a page, of course, but you do provide for them. And, if you're no longer able to, you want to make sure that their lives are not further devastated by your absence.

These calculations and determinations are not ones that you need to make on your own. I can help you identify what you need to do in order to adequately protect your family.

The Knights provides members a comprehensive, complimentary needs analysis titled "Profiles & Forecaster," an industry tool that helps determine your needs. I will gladly perform this custom analysis for you and your family absolutely free. The analysis will help identify surpluses and shortages, insurance and income replacement needs, final expenses, and more.

Helping your family to prepare for life without you is one of the most selfless actions you can make.

So, this Fathers' Day, as your family shows you how much they love you and how much you mean to them, show them how much they mean to you. Make an appointment with me for your custom analysis, and begin to build an insurance portfolio that will guarantee their protection after you're gone.

*As of 12/31/16, rated A++, superior for financial strength by A.M. Best. Designated a 2017 World's Most Ethical Company by the Ethisphere Institute.
