Grand Knight's Report

The Knights have a program called, "Keep Christ in Christmas". As you might guess from the name, it pushes back against Christmas being rebranded as a purely commercial "winter" holiday. There is no doubt the secular culture wants Jesus out. Sometimes it leaves you scratching your head. I remember a Coca-Cola bottle last year sporting alternating "Happy Holidays" and "Feliz Navidad" messages. I guess Coke decided it's not okay to wish people Merry Christmas anymore... well, not unless you do it in Spanish. Huh?

For us Catholics, the danger is not so much Christ leaving Christmas, but rather, too many other things crowding *into* Christmas that we lose sight of Him. We forget what is important – the miracle, the gift, of the birth of the Lord and Savior Jesus Christ. How do you prevent this over-crowding?

One idea is to say, "It is okay for me to not do everything." For example, it is okay for me to not...

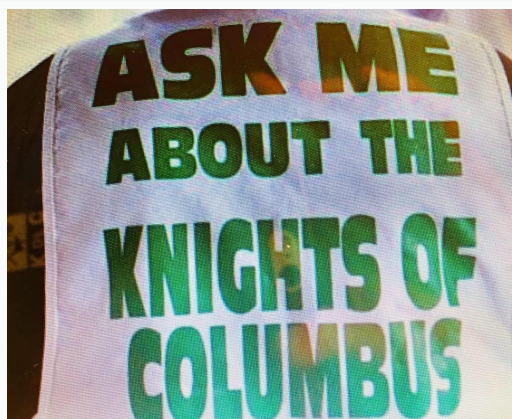

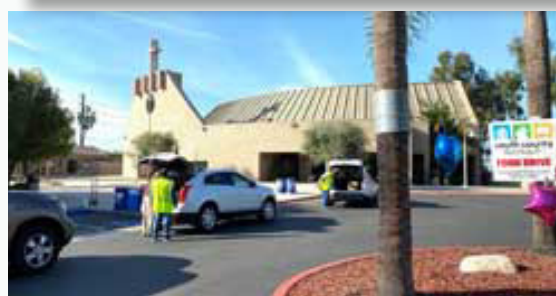

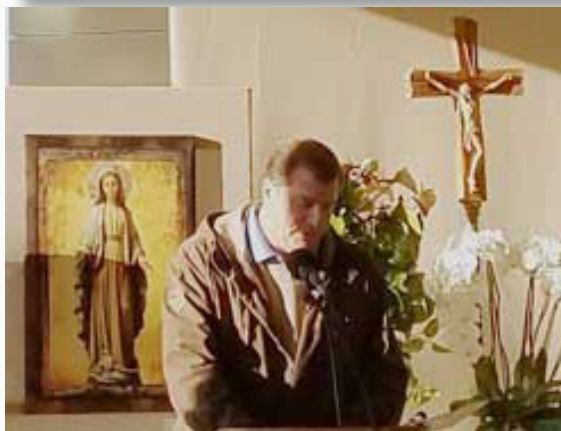

- Bake 17 kinds of hand-decorated cookies.
- Buy the perfect gift for everyone I have ever met.
 - Oh, and wrap them all in paper I crafted myself.
 - Oh, and ship them all to arrive in time.
- Attend every dinner and party I am invited to.
 - Oh, and host a few of my own!
- Mail out custom greeting cards featuring studio photographs of me wearing a Santa Claus hat and coat taken back in July when it was 106 degrees in the shade.
- Cover every inch of my house with LED lights synchronized to Wizards in Winter blasting over my own short-range micro radio station.

Okay, I admit that a good Wizards in Winter display is pretty cool. And what's wrong with cookies? Nothing! There is nothing wrong with any of these things. The point is, it is okay not to do some of them! Not doing some things creates the time needed for rest, reflection, peace, and for just being with God. Ironically, as much as we all hate our current Covid world and its restrictions, when it comes to helping us slow down this Christmas, it might actually help.

Another idea for staying focused on Christ this Christmas is charity. The Knights can help you with this one. We have a Red Cross Blood Drive in December, plus another Food Drop-Off Day for South County Outreach. Our Bill Breen Tootsie Roll Drive for Special Needs letters were mailed out. Did you get yours? This has always been a big fundraiser for Council 9487 but we must dig deeper this year if we are to overcome not being able to collect in front of grocery stores. Mary's Path is another charity popular with brothers this time of year. Pick something, do some charity, and have a Merry CHRISTmas!

NOVEMBER EVENTS

District Deputy's Corner

Happy belated Thanksgiving! I don't turkey as we slide into the Advent year. As we spend Advent preparing to keep Christ in Christmas. I know noble goal. I just heard a new take in Christmas is to keep the Mass in Advent this year and not Christmas until mas begins on December 25th, it

A while back I wondered why when it is Jesus' Birthday. I someone a Christmas present Christ that is within them. So, for me this year) say a prayer Remember that they are Jesus them.

So, I would like to wish you and your family a Blessed Advent, a Merry Christmas, and a Happy New Year.

Three Knights Advance to Sir Knight Online

by: Ricardo Teano, Retention Committee

The 4th Degree Exemplification slated November 21, 2020, Saturday, is meant to be in person, live. But the new lock down erased all that to online at the last minute.

Anyway, no disappointments. Congratulations to the 3 brave souls who advanced to the 4th Degree of Patriotism. They are Sir Knight Nourry Olmo, Sir Knight Domingo Roldan, and Sir Knight Jaime Terriquez. Welcome to the Santiago de Compostela KOFC Assembly 2305. Congratulations for obtaining the highest Degree of the Order. You also are now qualified to volunteer as a member of the Color Corps Ceremonial Guards. The online ceremony was beamed to 11 other places, as announced by DD Steve Bolton, State Deputy.

The Honoree of the ceremony is appropriately given to Fr John Nenemam, State Chaplain of the Knights of Columbus and also the Pastor of San Antonio de Padua Church In Anaheim Hills where the in person exemplification would have taken place.

Mass of Remembrance

Honoring our Knights Who Passed Away

by: John Ojeda

On All Saints Day, Santiago de Compostela celebrated the annual Mass of Remembrance. This year it was held in two Masses due to Covid circumstances. The Knights were able to attend the 12:00 Mass and provided the Chalice as we have for a while, and honored those Brothers who have passed away since last year's celebration. Those Brothers memorialized on the Chalice this year are David Alves, PGK Bob Desmond, Charles Goebel, and Reynaldo Martinez. We also mentioned Rev. Ben Fama who passed away last year but we were unaware.

Those Color Corps members included Ricardo Teano, Mike Sofka, Dennis Fung, and John Ojeda. Worthy Grand Knight Ken Breneman

presented the Chalice to Father Thomas. This Chalice like many others will be sent somewhere to be used at Masses and continue to commemorate our Brothers.

Let us keep them in our Prayers along with Prayers for our Friends, Family and those in need.

Bro. John

Dennis Fung, Mike Sofka, Fr. Thomas Naval, GK. Ken Breneman, Ricardo Teano, John Ojeda.

Order Your Official Green Council Shirt or Jacket

by: Ricardo Teano

Are you ready to order or reorder your green t-shirt? Here is the procedure:

You may order your shirt or jacket anytime. The supplier, David at Monogram Magic, is open for business. Please email your shirt size and the name to be embroidered on the garment to Ricardo, at ricardo8199@att.net.

Verbal instructions are not accepted to prevent errors. David's work office is on Lake Forest Drive, not far from Dimension St. He will give you the Price and when and where to pick up order. Cost of the shirt is around \$25 and the jacket around \$64, including tax...

My email is ricardo8199@att.net. David wants all orders to pass through Ricardo for confirmation that the order is for a Council 9487 Knight.

Into The Breach

by: **Barry Lamont**

On Saturday morning, November 21st, Council 9487 presented an event jointly with Catholic Men's Fellowship that showcased the Knights of Columbus video series 'Into the Breach.' Inspired by the Apostolic Exhortation for Catholic Men written by Bishop Olmsted of Phoenix, the Knights of Columbus video series seeks to answer the question of what it means to be a Catholic man and how to live as a Catholic man in today's world.

Our Pastor Father Thomas led off the event with prayer and an invocation. Both Father Thomas and Father Martin have given their support and helped to promote this event. Their words indicated that this was really important for the men of the Parish.

The first two episodes in the series, 'Masculinity' and 'Brotherhood', were shown to the 36 men who attended, Brother Knights as well as other men in our Parish. Following each episode a small group breakout session was held to discuss such questions as, "Who is a man that you respect and why?" and "In what ways do the Apostles provide a model for a 'band of brothers' today?" The men who attended were asked to write down their 'Greatest Need as a Catholic man.'

Answers included:

"How can I help my friends and family have an appreciation for our faith in Christ?"

"I see our society moving away from Christianity and this needs to be reversed. So I need guidance in growing in faith and leading a holy life."

"I need a group of friends who can kind of force me out of my shell and help me learn to be a better friend myself."

"I would say my greatest need is to be more positive, active, and learn more inner self integrity."

"Men to look up to as spiritual leaders."

"The need to be closer to God."

"To be more connected and bonded together"

"More fellowship and figuring out ways to reach the next generation."

A survey was taken, and ten men who were not already Knights expressed interest in learning more about KofC.

Thirteen wanted to know more about CMF.

Thirteen also showed interest in attending the annual Parish Men's Silent Retreat at Mater Dolorosa.

We are looking forward to teaming up again in the future...and casting our nets out into the deep (Breach) and realizing a great catch. We are... after all... "Fishers of Men."

Food Drive

Worthy Brothers,

Thank you to everyone that donated to our monthly drive-thru food collection on November 21st. We collected over 3000 pounds of food and total cash donations, between what is going thru our council and directly to South County Outreach, was over \$2000.00!

As we all know too well, we are seeing the need for food greater now that it has ever been during our lifetimes. The needs are constant and growing so we will partner

with the Parish

once again to host a drive-thru food collection on Saturday December 19th between 8:30 AM and 11:00 AM. We were very blessed to have many volunteers help out. In fear of leaving someone out I am not going to name all the volunteers but please know that everyone was extremely appreciated.

We were honored to have a very special donation by parishioner, 95 year old Art Martinez a WWII Veteran (pictured below with PGK Vince Vasquez) who stopped by with his wife with donations to the food drive as well as our wheelchair drive.

Please save the date and reach out if you are able to lend a hand this next month. **Also note there are collections barrels available 24/7 in the pavilion.**

KNIGHT OF THE MONTH - DENNIS DE ROSIA

by: *Ricardo Teano, Retention Committee*

If you are looking for dedication to one's volunteer job, here is one for you, Dennis de Rosia. Our selected Knight of the month, Dennis has centered around our recycling program. He arrives as one of the earliest, says Good Morning and goes right thru clearing the drop off area which can be very full of bottles, cans and plastic. He gets work done. On days that the drop off area is backed up, just call Dennis. He will give time to provide immediate help. Dennis has keys to the gates and to the bins and therefore is a most reliable helper.

Dennis zeal to volunteer is matched by his humility. It only took Ricardo a year to finally feature him to our newsletter. He tells me to stop bugging him. I said I need a picture of him, and he said go right ahead take it.

Dennis De Rosia

Dennis has been a knight for over 25 years and currently a 3rd Degree. Even before working with the knights, he worked with PGK Dick Petrash and Pat Walloch on a number of volunteer things at the church, especially the annual Carnival when it was a large three-day production with rides, multiple game booths and outside vendors. It was Dick who finally recruited him.

Wife Gloria was born and raised Catholic, but what surprised most people is that Dennis is a convert. Remember the church program years ago called "Renew?" While Gloria was studying her readings, Dennis would go over her materials and ask what she was getting out of it. It was Gloria's strength of faith that moved Dennis. Long story short, after many one on one visits with Father... well, here's Dennis. They have been married for 46 years and have two adult children, Jeff and Andrea and 4 grandchildren. Dennis and Gloria enjoy spending time with the grandkids and even get to Michigan several times a year to be with them.

Dennis also volunteers with several veterans' groups. He belongs to the American Legion and serve on the Honor Guard providing full military honors at veterans funerals and other major events. On the lighter side, he is a member of the OC Wine Society and volunteers at wine competitions; a labor with benefits.

To him, the KOFC is truly a brotherhood with a wide range of skill sets that are used in so many ways to support the church and its many missions. He is honored to be part of it.

With utmost respect lets congratulate Dennis de Rosia as the most ideal Knight of the Month.

RETIREMENT PLANNING - Part 3 of 4

Four parts of retirement: Phase three:

My previous two articles discussed important steps that lead to retirement. But what happens once you reach that goal? You've got free time to pursue your interests, visit friends and family and relax. It is a beautiful thing indeed.

You've now entered the de-accumulation phase. You will start to spend down the assets you have accumulated during your working years. Remember: a 60-year-old man has a 20% chance of making it to 95! A 60-year-old woman has a 30% chance. And there is a 40% chance that at least one member of a married 60-year-old couple will make it to 95. That is a long time to live off of accumulated cash while you don't work. Save, save, save, so you will be able to de-accumulate.

As a Knight, you have access to a product that is designed to make saving safe and easy. Our annuity is designed to provide guaranteed long-term security. Consistent and disciplined savings placed into this annuity over time can provide income at retirement that you cannot outlive. With that guarantee comes the fact that no one has ever lost money put in a Knights of Columbus annuity (remember, absolute safety of principal) and consider the value you are getting.

Contributing money to an annuity can also have positive tax implications (always check with your tax professional on these matters). And our annuities offer a competitive interest rate, consistent with our primary goal of absolute safety of principal.

Take some time to meet with me and I will explain fully the benefits of selecting our annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans. As you consider options as you proceed toward retirement, think about one thing guaranteed to help you and open a Knights of Columbus annuity.

Gene Ganley Memorial Recycling Report

News Worthy Events :

November was an okay month.

Our proceeds for October were **\$1,910** and looking forward to a great month in December. I truly thank all of you who are assisting in sorting the items dropped off. You are doing a GREAT job!!!!

Recycling is the major program for our council to raise money and you are the key to this program. Any help you can offer is greatly appreciated. Be sure to drop off your recyclables any-time and spread the word to all that they can do the same. Let's keep our program HEALTHY.

We have completed the building of the two drop off bins and we are in the process of painting them. Please do not use these until they are painted, and we open them up for use. I want to thank all those involved in building this structure. Their skills are great: Tim Tunila, Domingo Roland, Bob Morgan, Hector Gomez and George Nothhelfer. Dan Ramella who is the Picasso of the paint brush.

Thanks to a new recycler Janine Glenn we are getting involved with the "Teen Project" Vera's Sanctuary located in Santiago Canyon. It is the first site in Orange County dedicated to victims of Human Trafficking. It consists of five stunning homes, 30 beds surrounded by nature and beauty. A peaceful setting filled with healing and love for young women 15 – 21 years old who have endured too much.

We have provided them with 100 lb's of ground chuck and 8 turkeys for Thanksgiving. I would like us to consider adopting them and donate \$100 a month to their cause. There are many more things that we can contribute to saving these young women and we can discuss them at our meeting.

Welcome to Brother Knight Kenneth Baer

by: Ricardo Teano, Membership Committee

The Membership committee is so pleased to announce a new brother to our council. His name is Kenneth Baer. His sponsor is Ruben Logarta. They are both Hospitality Ministers at the 12:00 Noon Mass.

Ken looks forward to becoming more involved thru the Knights of Columbus way. Ken also plans to be in touch with PGK Roger Sonnenfeld, to join the Knights on Bikes. The ceremony of Charity, unity and Fraternity was done online on Saturday, November 21.

Welcome Brother Ken to council 9487

THE TREE

In the center of the garden was the most magnificently [beautiful] tree that the human eye had ever seen... And yet the fruit of this tree with it's moist, supple, alluring texture was merely a test; of obedience, or self-indulgence...

It is from here that the symbolism of the tree began and through story [after story] it has masterfully directed all of humanity to a final purpose... The wood that Isaac carried along with Abraham for the bunt offering; the branch [a small portion of a tree] which was carried back to the ark by a dove; to the wood that was placed countless times on the alter and burned in sacramental offerings to cleans the sins of all God's peoples; all the way to Calvary, where our Lord was forced to carry his-own cross and as if to lay him on an alter, the Romans had Jesus lay-down upon the cross as they nailed his hands and feet to it's wooden frame, for as it is written, "he was lifted-up and hanged on a tree"---not magnificently [beautiful], but the purpose had been completed.

To start with the tree in the garden, and end on the tree at Calvary; and yet, all of humanity is still being tested; does one choose obedience or does one choose self-indulgence?

Ironically, the correct choice will ultimately lead back to a magnificently [beautiful] tree in the center of the garden!!!

At Maurer Technical Services, LLC we have over 25 years experience servicing portable nukes. We calibrate and repair nuclear moisture/density gauges. We specialize in CPN/InstroTek gauges. We also repair and calibrate Troxler and Humboldt nuclear moisture/density gages.

We offer full three block density, and two block moisture calibrations on NIST traceable blocks with the fastest and most accurate service available anywhere in the southwest USA including Hawaii. We also sell the most accurate and dependable gauges in the business, the MC3 Elite, MC1 Elite and 3500 Xplorer made by CPN/InstroTek.
