Grand Knight's Report

My Brothers,

The 1st quarter of the Columbian year is behind us, we are coming out of the pandemic bit by bit. Although we continue to present our meetings in a hybrid fashion, we find that, as expected, in person attendance is increasing while Zoom meeting participation is starting to wain. The data provided by our production coordinator Stewart indicates we are averaging 3 in attendance via Zoom.

September 13th-14th the National Catholic Prayer Breakfast was held in Washington, DC.

In the past month since our general meeting we had a full schedule. Approximately 15 Members of our council participated in the annual Retreat at Mater Dolorosa over the weekend of the 17th-19th.

We provided dinner for the Youth Ministry's Movie Night. In total 35 Dominos pizzas for the kids and the staff, Thanks to Dave Atkinson for coordinating with Lyanamar.

On Saturday 18th, Brother Mike Byrne coordinated the food drive. In addition to the food donated \$1290 was collected. A number of Brothers participated; Stewart, Angel, Vince, Jaime to name a few. Thanks for your service.

Last week I met with Dave Cortens, State Coordinator of the Ultrasound Initiative. I provided him with a check for \$4000 toward the Abortion Pill Reversal program as part of our Pro-Life program. We have a location for our ultrasound, more details to follow at the council meeting.

We will also be conducting a Respect for Life fundraiser - November 20th - 21st.

It will most likely take place on the plaza, and will include a tastefully done video that will be shown during Mass, after the Homily. It will be followed by information tables and breakfast to be served in the Pavillion.

Last Friday, the House of Representatives voted to pass the most radical abortion bill ever. Among other extreme actions, the so-called Women's Health Protection Act would:

- a. Allow abortion on demand nationwide throughout every stage of pregnancy
- b. Ban pro-life laws in every state and local government
- c. Force Americans to support abortions with their tax dollars
- d. Likely eliminate conscience protections for doctors

Please contact your Representative today -- either to express gratitude for voting against the bill or to express strong, but respectful, disagreement for voting for it, while urging him or her to reconsider support for this radical bill.

Additionally, it is likely that the Senate will also vote on this bill in the very near future. Please also contact your two Senators to strongly urge them to oppose the Senate version of this bill when it comes up for a vote.

Brothers, it is time to stand. That is, it is time to pray and to speak. As Pope Francis told us in his message for our 139th Supreme Convention: "In an age of epochal change, our societies need the courageous witness of men of faith and integrity, who can serve as a leaven of Christ's kingdom of justice and peace, holiness and truth." And so, let us pray and recommit ourselves to building a culture of life, to praying the rosary frequently, to fasting and doing penance. And let us speak: letting our members of Congress know — together with our family and neighbors — where we stand.

Standing comes with cost. And we can expect a fight as we work to defend innocent human life. This is why the Holy Father's call to follow St. Joseph as a man of creative courage is so important. St. Paul had many enemies, and his life was constantly threatened. Yet he was fearless, stating: "Woe to me if I do not preach the Gospel" (1 Cor 9:16). Strong words, but also encouraging ones, because they make our duty so clear.

So brothers, we too must have the courage to preach the Gospel. We too must stand, with St. Paul and all Christians throughout history, for the poor, the weak, the abandoned, the elderly, and the most vulnerable of all — the unborn.

Reminder: Saint Joseph Summit - September 30th- October 3rd

As Men of faith, we look to Saint Joseph as our Spiritual Father for guidance. Below you will find info on the Saint Joseph Summit. It is being put on the Spirit Filled Hearts Ministry. This is a 4-day virtual event that is free to sign up for. It was just announced that our Supreme Knight Patrick Kelly is going to be a speaker as well. Please visit <https://www.spiritfilledhearts.org/> to sign up and for further details.

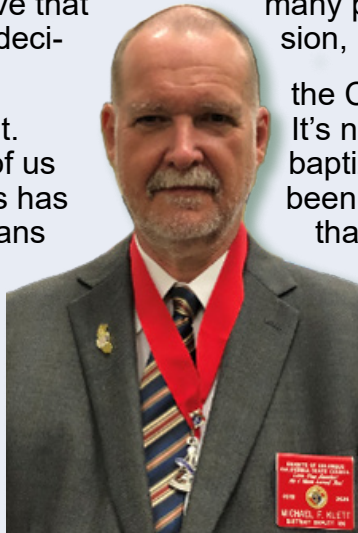

Mike Sofka - Grand Knight

District Deputy's Corner

I recently read a post on Facebook that said that the Church is too comfortable with people going to hell. Shocking! But as I pondered this over the next few hours and days, I concluded that the message was in fact true. Let's break this open a bit and see why I think it is a true statement.

First, are many people going to hell? Our Protestant brothers and sisters seem to think that this is not a true statement. In their world view all you have to do is say the sinner's prayer, take Jesus as your personal savior, and presto, you are on the fast track to Heaven no matter what you do after that. Once saved, always saved is what I've heard. But our Catholic Faith teaches us that this isn't true. While it is true that in spite of the fact that I am a sinner, Jesus still loves me. And by the way, he still loves you, too. In fact, even if you or I were the only person that ever existed, well after Adam and Eve, that Jesus would still come down from Heaven and hang on the cross for us. But we must repent of our sins. He waits for us in the Confessional. If we go with sorrow for our sins we will be absolved of our sins and made clean again. But I digress, with what I hear in the secular world: non-binary gender identification, marital relations between people that aren't husband and wife, etc., yes, I believe that many people are quite probably going to hell. However, this remains God's decision, not ours.

Second, just what or who exactly is the Church? It's not the building alone though the building may be part of it. It's not the priests alone though they are baptized as Catholic. You and I are all part of it. The Church includes all of us called to evangelize for Jesus. This has been our mission since Pentecost. The fact that we aren't evangelizing means that we are comfortable with sinners going to hell. We must be on fire for the good news of the Gospel! Our Jesus defeated death! Let me put it this way, if you found a website that would give you \$100.00 just for asking for it you would be excited. After claiming your \$100 you would be telling everyone about this website so that they could get their \$100, too. I know that I would! An eternity is worth so much more than \$100 - we should be telling everyone we know!

So how do we evangelize? Obviously, standing on the corner holding a sign that says John 3:16 and yelling at people that they are sinners and going to hell won't do it. In fact, that might even hurt our cause by causing people to get farther from Jesus. We must live our lives as though we are the fifth Gospel. (Hint, we are.) People should know that we love our Lord by the way we live our lives. Do people at work know that you are Catholic? How about at your non-work activities? I suggest that you be joyful, say grace before your meal, even in a restaurant or in the breakroom. Don't tell people that you're Catholic but show them that you are Catholic. Don't go thumping them in the head with a Bible (as fun as that is).

Let them come to you with their questions. Answer them as best you can with calmness and a joy to be able to talk to them about our faith.

It's October. Every food is getting pumpkin spice (blech!). Participate in your council's activities when you can. Make every council activity a recruiting event. Have fun and encourage other men to join in your fun. What have you got to lose? This is just one more way to evangelize the men of your parish to learn what we do.

God Bless and Vivat Jesus!

IN MEMORIUM - HONORABLE BROTHER JERRY GAU

by: Brother John Ojeda -

I did Not know Jerry Gau but have heard so much about him. I came into Bishop William R Johnson Council shortly before he passed away. I understand he was a force to be reckoned with.

Recently, I was at Monday Morning recycling and talking with a Founding Brother and co-Founder of our recycling Program John Ruelas. He mentioned that there is one person who did so much to establish our Council but he does not seem to get recognition. That man is Jerome J. Gau.

Bishop William R Johnson Council was founded February 12, 1967. Bishop Johnson was the 1st Bishop of Orange County. Fr. Bill Krekelberg, a Brother Knight was interested in forming a Council at Santiago de Compostela. A steering committee of Fr. Bill, Jerry Gau, Eddie Brown, Dick Gregg, Ray Rudy, Vince Holman, Jesse Messersmith and Henry Teterault was established. Don't feel bad, I do not remember many of these names myself.

The 1st meeting was held for this group November 1986. Membership drives were held in January 1987 and enough candidates and transfer members were found to establish the Council. District Deputy Harry Dillman set a 1st Degree for February 2nd. 28 members were exemplified and 8 more on February 10th. On February 19th the District Deputy requested to grant a Charter for our new Council consisting of 36 new members, 34 transfers, and 11 readmissions. The 1st meeting was held February 18th, 1987. Dick Gregg was elected Charter Grand Knight, Bill Breen was the Recorder, Thomas Grinnell Treasurer, Eddie Brown - Deputy Grand Knight, and Jerry Gau -Financial Secretary. This was a position Jerry held until he could not anymore due to health reasons.

Jerry was a Marine, is a Marine. You are always a Marine. He ran the Council from the beginning. He did everything by the book and did ensure the meeting ran efficiently according to Supreme guidelines. He was relentless at recruiting. This amazing Brother helped establish the Assembly Santiago de Compostela 2305, and became the Faithful Comptroller, a similar position to Financial Secretary with the 4th Degree. He did the same things there. This is the main reason many of the early members became 4th Degree Knights.

John Ruelas also told me he established a Knights council when he was in Service. Jerry was married to Nellie, was born January 8, 1926, died November 6, 2002. He retired from the Marines after 20+ years, and then retired from the Postal Service. He made his 1st, 2nd, and 3rd Degrees March 1, 1950. He was a Council member for 52 years. He made his 4th Degree September 1, 1967, probably right before the Assembly was formed. He was an Insurance Member and an Honorary Life Member when he passed.

I wish I could tell you more about Jerry. Primarily he lived for the Knights and Church. May he rest in Peace and be forever in our Prayers.

HOSPITALITY CORNER

By: Ben Niewinsky – Hospitality Ministry

I want to thank all our Ushers and Hospitality Ministers for the wonderful job they are doing at all the English Masses.

Starting next month, we will conduct a Mass attendance count at the holy time. I will talk about this at the next general Knights meeting. Ushers and hospitality ministers please give the results of your count to Ben Niewinsky.

I am organizing a training class for all new ushers and hospitality ministers to be conducted on Thursday nights or Saturday morning after the 8AM Mass. I will announce details after I receive approval from Father Thomas.

We are in need of more usher and hospitality help on the second Saturday of each month.

FAMILY OF THE MONTH - NORRIE & FRANCIS OLMO

by: Ricardo Teano, Retention Committee

Congratulations to the Olmo family as the chosen Family of the Month!! Why this family is selected is a nice story.

Norrie is a knight for 2 years, a 4th degree and a Santiago parishioner for 30 years. He claims that he is blessed to be part of this very prestigious KofC group that helps a lot of people in need. Their dedication and devotion to serve inspired him to join to make a difference in people's lives too. He wants to share what our Lord Jesus showered him with; his time and his talent.

Norrie was born Catholic and came from an almost 100% Catholic country; the Philippines. His parents volunteered religiously in their church back in their province and took Norrie with them every day to help.

He is the youngest of seven children, born in Bataan, Philippines and moved to the USA in 1982. He has lived in Lake Forest since he was 10 years old and is a parishioner for 30 years. His family loves to cook and cater mostly Filipino food. Norrie worked in a para-legal office as a Litigation Assistant, experienced to work as a postmaster, then landed as an Electronic assembler and Technician.

Norrie married his lovely wife Francis Ann (they were pen and phone pals) in 1993. Blessed with 2 boys, Joseph Andrew, 25 years old and Nathaniel, 20 years old. Francis Ann is a frontliner, a Registered Nurse. She works full time at Saddleback Hospital and per diem at Mission Hospital. She loves her profession and is dedicated to her work. All 4 Olmos help at the Santiago Food Drive every 3rd Saturday of the month. Norrie survived an "open heart surgery" in 2012, but that does that stop him from volunteering? Together, the family helps in any way they can as they do lots of recycling with the knights, Oktoberfest with the church, and cook food for homeless people for the community.

They also pray together!! This family attends prayer meetings every weekend. They belong to a pray group/bible study in St Cecilia Catholic Church in Tustin called Divine Grace Charismatic Catholic Prayer Ministry. At Santiago both Norrie and Ann are members of the Santiago Minstrels choir.

In retrospect, Norrie thinks, KOFC organization has a deep meaning and purpose for Men's integrity as it gives him self-confidence and compassion in return. Norrie's prayers are for us who are serving to always have joy, love, SMILE and dedication to serve.

Thank you to the Olmo family and again, congratulations.

KNIGHT OF THE MONTH - MARK ANGEL

by: *Ricardo Teano, Retention Committee*

Congratulations Mark! Your willingness to volunteer has been noticed by the Council and therefore voted you as the most deserving Knight of the month.

Mark reactivated his membership in November of 2020 and is now a 3rd degree knight. He has been very inspired by the Matthew Kelly books distributed by Santiago church and felt very strongly that he needed to increase his service to others; that we are called to do as Catholics. Becoming active in the Knights of Columbus seemed like a great way for him to increase his service to others.

He also has been inspired by St. Faustina's diary when Jesus told her that the sin that is the most offensive is that of abortion. The Knights' message and actions to help end legalized abortion and provide expecting mothers with options also drew him to be a part of the Knights community.

Mark has volunteered at the food drives, preparing parish mailers, attend meetings, and staying with the silver rose when it was at our parish. He is closing in on retirement and plans to be much more involved with the Knights when he retires.

Mark and wife, Eileen have been members of our parish since 1988. They have been married for 36 years. They were both baptized as infants and raised in the Catholic Faith. They met in college at Miami University in Oxford Ohio. They have 12 years of Catholic Education growing up.

Mark's parents were very active in their parish. His wife's father was a 4th degree Knight at his parish in Florida. Their parents were great inspirations in how to live our faith. Mark and Eileen raised 2 children who both received their sacraments of Initiation at Santiago De Compostela. Eileen was a teacher for the parish children's religious education program.

Their oldest, Jessica 29, has a master's degree in education of special needs children. She works for Tustin School District and oversees the special needs programs for 5 of their schools as well as any students who are hospitalized.

Their son, Ryan 26, has his degree in communications and works as a graphic designer for an Irvine headquartered company. They feel very blessed that both of their children have good careers, college degrees, their health and were raised in the Catholic Faith.

Both of their children were very involved in playing sports when they were growing up. Mark and Eileen volunteered as assistant coaches, and other various positions to help their programs.

As for being a part of our parish's Knights of Columbus Council, Mark said it has been everything he hoped it would be. From meeting likeminded men of Faith who lift each other up to be holy, and having so many opportunities to do works of charity, it is a blessing to be part of Council 9487.

Congratulations Mark!!

LTC is an IMPORTANT PIECE OF THE PUZZLE

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 21 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.

Please contact Al if you can give us a few hours during the week. We pair you up with someone to show you the ropes. Recycling is the major and very important program for our council to raise money and you are the key to this program. Any help you can offer is greatly appreciated. Be sure to drop off your recyclables anytime and spread the word "to all" that they can do the same.

Monday Morning Recyclers:

Thank all of you who contribute your time to make this program a success. We start a 7 AM Monday mornings and finish up around 9 AM. Any time you can offer us is appreciated. We are always in need of walkers for the mobile home park at Lake Forest. Everyone has a great time and it is great comradery. Several of the group goes to Coco's for breakfast after recycling. Please contact Gerry Dubois (949)500-1064 or Hector Guzman (949)301-6686 to join the fun. You can learn a lot about recycling.
