Grand Knight's Report

John Teeter
Grand Knight

Brothers,

We seem to have blown thru July in record time. Some of the memorable events that we participated in include marching in the Lake Forest 4th of July Parade then turning around again and, for many, walking the Camino or setting up for what I can only describe as a fabulous event! Many thanks to the Brothers who participated in either or both of these events.

Brother Patrick Larkin spent multiple weekends smoking pork, and with help of brothers Don Blankenship and Bob Kupfert delivered nearly 600 pulled pork sandwiches to the volunteers and participants in the celebration of St. James the Great! Dave Atkins deserves special thanks for mustering a crew of Knights and wives who supported signup, delivery of stop site signs, shades, and coolers to the stops along the journey. Many of these people were up at 3:30 AM to get to the church early Saturday morning

The Council was officially awarded Star Council and was followed up with recognition as the Number 1 statewide fund raiser for the I.D. drive. On top of those two awards, Brother Mike Sofka was presented the State Deputy Award at the Chapter Dinner on July 23rd.

Now for the upcoming month. On Wednesday August, after the 8 AM Funeral Mass for Father John Block, the Knights will be providing a reception on the Pavilion. We will be serving a few of his favorites. Hot Dogs, Chili, Cookies and Drinks. All are Invited. We will follow this up that evening with dinner on the Pavilion starting at 5 PM, and a special Birthday Cake celebration for Brother Ben Niewinski. Cake will be served at 6:30PM, prior to our general business meeting.

We will hold the 8th Annual 'Golf Fundraiser Dinner on Friday night August 19th. Anyone who has attended this event in the past will tell you it may be the best dinner you have this year if you attend. Menu is Filet Mignon, Shrimp, Chicken, along with cocktails, appetizers, salad, baked potatoes & fixings, and fabulous deserts. We will be raffling Dozens of prizes to support the upcoming golf tournament. If you haven't rsvp'd yet, contact Brother Dave Atkins at (949) 521-0335.

Cost \$60 per head, includes all drinks, dinner, and raffle tickets.

Again, South County Outreach drive will take place on Saturday August 20th. Please join in and help to collect and sort the food deliveries. On the 27th of August we will holding a Knights, and Parishioners cleanup day around the campus. We will have a number of projects that you can sign up for at the next meeting.

Bring your tools, gloves, and appetite. Lunch to be served on the Pavilion.

FAMILY OF THE MONTH - TERESA & DAVE STOKES

by: John Teeter

Teresa & Dave Stokes

This month's Family of the Month is a family very familiar to many parishioners of Santiago De Compostela: Dave and Teresa Stokes.

Parishioners since the inception of our parish, Dave and Teresa have been active in many ministries. Dave has been a 3rd degree Knight since 1984 and is a Charter member of the 4th degree Assembly 2305. Dave has been a Eucharistic Minister, worked with Teresa, in preparing couples for marriage through the Engaged Couples Ministry, worked for over 10 years in prison ministry at terminal Island, Karios and used his carpentry skills to build altar chairs, the wedding bench and several other pieces on our parish grounds.

Teresa has been in the choir, served as an Eucharistic Minister to the homebound, and along with Dave worked with NAMI (National Association Mental Illness). Their work in NAMI for the past 20 years has given them the opportunity to conduct seminars,

facilitate classes and work with families who have family members with mental health issues. In 2002 one of their 3 sons was involved in a serious car accident and suffered a psychotic break. It was because of this event Dave and Teresa found out about NAMI, attended classes and became involved with helping other families who have members suffering with a mental illness. They are Mental Wellness ministers at SDC.

There are other ministries at SDC that the Stokes have been involved in including the Camino last month, but it is their work on the SDC Welcome Retreat Ministry that we felt needs to be recognized. The Welcome Retreat ministry is divided into the Women's Welcome Retreat Ministry and the Men's Welcome Retreat Ministry. The leaders of these ministries spend 6 months building a team with weekly meetings. They follow the retreat program that began in the 1970's as Christ Renews His Parish and has evolved into Welcome, there is more to life, program organized by Dynamic Catholic.

Dave is fond of quoting Proverbs 27:17 As Iron sharpens iron, so one person sharpens another. Dave explains, "the Welcome Retreat IS the earnest of the depth of what fellowship means, and when we work according to God's plan the amazing things that happen in fellowship."

Teresa said her Catholic Faith and Italian heritage have blessed her with a strong sense of family and community. Teresa said, "We are touched so deeply to be part of something so powerful as Welcome. We are filled with the joy of God's generosity. You get to know other parishioners and establish a deep, lifelong connection with them. You realize we are all broken people yet through Welcome we build each other up with the help of The Holy Spirit." She explained that watching the transformation of the attendees over the course of the weekend makes one very aware of the presence of God.

"The retreat allows everyone to build up their fellow parishioners, which makes our parish family stronger, which in turn is the goal of The Welcome Retreat. IT IS AMAZING"

Dave and Teresa thank you for all that you continue to do for our parish. Your work with the Welcome Retreat has made our parish better and stronger.

KNIGHT OF THE MONTH - PAUL TOVAR

by: Ricardo Teano - Retention Committee

Sandra, Cassandra, Alex & Paul Tovar

Good news everyone! Meet Paul Tovar, our honored and unanimously selected Knight of the Month. Let us congratulate him as he shows us enthusiasm and most promising Caballero since he joined the Council 7 months ago.

For a start, Paul was at the July 4th parade willing to walk the 1.5 miles with several other knights, under the blazing July sun. He eagerly helped to carry our wide KOFC banner with Rafa Villasenor his brother-in-law, on the other side, who is also a knight. By the way, many thanks to Rafa for signing Paul up to join the knights without him knowing it. Paul is so glad that he did.

At the Camino he walked the required practice walk a week before the real Camino to qualify as a volunteer. Indeed, he showed up at 4:30 in the morning of the Camino to do his assigned job of forming groups of pilgrims and making them ready to ride the bus to the starting points. He stayed all day to help. In addition, Paul has helped in the Food Drive, handed out flowers on Mothers' Day and served food at the Founders' Day which honors the charter members of the council. At

the highly successful Men's Retreat, Paul was one of the retreatants receiving the most heart filling weekend. I heard him say yes to be one of the team leaders on the next retreat. Paul indeed has done so well in just 7 months of knighthood.

Paul has been married to his beautiful wife, Sandra, going on 29 years. They have 2 children Alex, 28 years of age and Cassandra, 23. They were all born Catholics and have been parishioners about 27 years. Paul is no stranger to charitable works. He has done volunteer work for an organization called God's Children, where they take gifts and clothing to an orphanage in Mexico.

Paul loves the knights as they are welcoming to him and have brought him closer to God. Being in the church atmosphere really makes him feel good and constantly learning new things about our religion.

Congratulations to Paul for earning the recognition - Knight of the Month!

FAMILY COMMITTEE WITH BROTHER MIKE KLETT

Family Matters

I'm tired. After five years as an officer of our council and three years as a District Deputy, I'm tired. I was looking forward to spending a year (or more) in the "cheap seats" letting others lead. It was time for me to be a follower. That was my plan.

But tragic mass shootings and other political events weighed heavy on my mind. What could be done? I heard that in committing the events in Uvalde, TX, the gunman broke 21 different laws. I don't know if that is true but certainly it was some number of laws. What possible 22nd law could prevent a future Uvalde? I can't think of one. What can be done?

Then I followed a link on Facebook to an article by Fr. Gordon J. McRae titled "In the Absence of Fathers: A Story of Elephants and Men" (see <https://beyondthesestonewalls.com/blog/gordon-macrae/in-the-absence-of-fathers-a-story-of-elephants-and-men>). I have asked for the article to be reprinted elsewhere in this newsletter. Reading the article I started feeling the Lord's tug to be our Family Director. I complained to Him that I was tired and that I didn't want to do it. Couldn't it be someone else's job? My plan was to rest.

Further on, in a conversation with Deacon Steve Greco, Deacon Steve said something. I don't remember what. But I knew it was the Lord telling me again to be the Family Director. Again, I complained that I was tired and didn't want to do it. Later, I was telling Deacon Steve about what had happened in our conversation. He gave me the words that convinced me to tell the Lord OK, I'll do it. Deacon Steve had reminded me that we should live every day as if it were our last. If this was, in fact, going to be my last day, I could muster the energy to do one more thing. I can't tell you what Heaven is like, but I am convinced that in Heaven we will have plenty of rest.

And so here I am, your Family Director for 2022 – 2023. I could use some help on the Family Committee. The Family Faith in Action programs are:

- Consecration to the Holy Family
- Food for Families (December's Featured Program)
- Family Fully Alive (April's Featured Program)
- Family of the Month / Year
- Family Prayer Night
- Family Week
- Good Friday Family Promotion
- Keep Christ in Christmas (November's Featured Program)

But beyond these programs I want to help my brother Knights be better husbands and more importantly, better fathers. Help me build a culture of fatherhood.

Peace,

Brother Mike

In the Absence of Fathers: A Story of Elephants and Men

Written by Fr. Gordon J. MacRae

<https://beyondthesestonewalls.com/blog/gordon-macrae/in-the-absence-of-fathers-a-story-of-elephants-and-men>

Are committed fathers an endangered species in our culture? Fr. Gordon MacRae draws a troubling corollary between absent fathers and burgeoning prisons.

Wade Horn, Ph.D., President of the National Fatherhood Initiative, had an intriguing article entitled “Of Elephants and Men” in a recent issue of Fatherhood Today magazine. I found Dr. Horn’s story about young elephants to be simply fascinating, and you will too. It was sent to me by a reader who wanted to know if there is any connection between the absence of fathers and the shocking growth of the American prison population.

Some years ago, officials at the Kruger National Park and game reserve in South Africa were faced with a growing elephant problem. The population of African elephants, once endangered, had grown larger than the park could sustain. So measures had to be taken to thin the ranks. A plan was devised to relocate some of the elephants to other African game reserves. Being enormous creatures, elephants are not easily transported. So a special harness was created to air-lift the elephants and fly them out of the park using helicopters.

The helicopters were up to the task, but, as it turned out, the harness wasn’t. It could handle the juvenile and adult female elephants, but not the huge African bull elephants. A quick solution had to be found, so a decision was made to leave the much larger bulls at Kruger and relocate only some of the female elephants and juvenile males.

The problem was solved. The herd was thinned out, and all was well at Kruger National Park. Sometime later, however, a strange problem surfaced at South Africa’s other game reserve, Pilanesburg National Park, the younger elephants’ new home.

Rangers at Pilanesburg began finding the dead bodies of endangered white rhinoceros. At first, poachers were suspected, but the huge rhinos had not died of gunshot wounds, and their precious horns were left intact. The rhinos appeared to be killed violently, with deep puncture wounds. Not much in the wild can kill a rhino, so rangers set up hidden cameras throughout the park.

The result was shocking. The culprits turned out to be marauding bands of aggressive juvenile male elephants, the very elephants relocated from Kruger National Park a few years earlier. The young males were caught on camera chasing down the rhinos, knocking them over, and stomping and goring them to death with their tusks. The juvenile elephants were terrorizing other animals in the park as well. Such behavior was very rare among elephants. Something had gone terribly wrong.

Some of the park rangers settled on a theory. What had been missing from the relocated herd was the presence of the large dominant bulls that remained at Kruger. In natural circumstances, the adult bulls provide modeling behaviors for younger elephants, keeping them in line.

Juvenile male elephants, Dr. Horn pointed out, experience “musth,” a state of frenzy triggered by mating season and increases in testosterone. Normally, dominant bulls manage and contain the testosterone-induced frenzy in the younger males. Left without elephant modeling, the rangers theorized, the younger elephants were missing the civilizing influence of their elders as nature and pachyderm protocol intended.

To test the theory, the rangers constructed a bigger and stronger harness, then flew in some of the older bulls left behind at Kruger. Within weeks, the bizarre and violent behavior of the juvenile elephants stopped completely. The older bulls let them know that their behaviors were not elephant-like at all. In a short time, the younger elephants were following the older and more dominant bulls around while learning how to be elephants.

FAMILY COMMITTEE (Continued)

Marauding in Central Park

In his terrific article, "Of Elephants and Men," Dr. Wade Horn went on to write of a story very similar to that of the elephants, though it happened not in Africa, but in New York's Central Park. The story involved young men, not young elephants, but the details were eerily close. Groups of young men were caught on camera sexually harassing and robbing women and victimizing others in the park. Their herd mentality created a sort of frenzy that was both brazen and contagious. In broad daylight, they seemed to compete with each other, even laughing and mugging for the cameras as they assaulted and robbed passersby. It was not, in any sense of the term, the behavior of civilized men.

Appalled by these assaults, citizens demanded a stronger and more aggressive police presence. Dr. Horn asked a more probing question. "Where have all the fathers gone?" Simply increasing the presence of police everywhere a crime is possible might assuage some political pressure, but it does little to identify and solve the real social problem behind the brazen Central Park assaults. It was the very same problem that victimized rhinos in that park in Africa. The majority of the young men hanging around committing those crimes in Central Park grew up in homes without fathers present.

That is not an excuse. It is a social problem that has a direct correlation with their criminal behavior. They were not acting like men because their only experience of modeling the behaviors of men had been taught by their peers and not by their fathers. Those who did have fathers had absent fathers, clearly preoccupied with something other than being role models for their sons. Wherever those fathers were, they were not in Central Park.

Dr. Horn pointed out that simply replacing fathers with more police isn't a solution. No matter how many police are hired and trained, they will quickly be outnumbered if they assume the task of both investigating crime and preventing crime. They will quickly be outnumbered because presently in our culture, two out of every five young men are raised in fatherless homes, and that disparity is growing faster as traditional family systems break down throughout the Western world.

Real men protect the vulnerable. They do not assault them. Growing up having learned that most basic tenet of manhood is the job of fathers, not the police. Dr. Horn cited a quote from a young Daniel Patrick Moynihan written some forty years ago:

"From the wild Irish slums of the 19th Century Eastern Seaboard to the riot-torn suburbs of Los Angeles, there is one unmistakable lesson in American history: A community that allows a large number of young men to grow up in broken homes, dominated by women, never acquiring any stable relationship to male authority, never acquiring any rational expectations for the future — that community asks for and gets chaos."

- Brother Larkin reports finances
 - Receipts from June 7 to July 5 - \$3180. Monthly payments \$6665
 - Recycling was main source of revenue. ~\$1800, Living Faith book sales of \$425.
 - Largest payout last month was for Catholic Scholarships. \$3600.
 - Checking account balance \$11719

- Food Drive - KofC will be taking over the Food Drive day-of set-up and sorting. Brief discussion on how much time it would take 5-10 brothers to sort the donations. Starting at about 8:00am and finishing by 9:00am is a realistic estimate. Only about 6-12 drop-offs usually occur so most of the effort can go into sorting.
- Upcoming preparation for the Camino. 7/16 at 6:00am, Camino-support qualification walk to be held. Waling starts at 6:30am, probably from the Church to the Lake Forest Sports Park and back. Afterwards, Food Drive volunteering to be held.
- Brother Vince reports on what's occurring in Chapter. Asks for volunteer Marshals to help set-up for meetings which are in Orange.
 - Reports on Orange County Catholic Charities cancelling Camp Recreation. However Orange Chapter Charities is being reformed into Orange Chapter. The money donated can be funneled to various organizations with this reorganization. Example is donations to Therapeutic Writing Center. Chapter has donated about \$14000 to the Special Olympics. If there is an organization that's a non-profit, we can bring it up to the chapter and arrange potential donations.
- Camino help and Registration. Camino will be on July 23. Registration is \$20. Volunteers still have to register. Currently there are 7 or 8 volunteers. Responsibilities include setting up all the Camino stations along both Camino routes and tearing the stations down once all participants have completed it.

- No Insurance Agent present.
- New District Deputy Dan Hoffman introduces himself and thanks his predecessor Michael Klett
 - Acknowledges learning curve but the coaching has been helpful. Also states that Brother Vince has a lot of good information from Chapter.

Gene Ganley Memorial Recycling Report

News Worthy Events:

June was a good month **\$1,797**. **We are in need of walkers at the Lake Forest Mobile Home Park and sorters at the barn. We need your help.** It only takes about one hour or if you can come for 1/2 hour, we can use you. Anyone that can help us out please contact Hector Guzman at **(949)301-6686**.

Monday Morning and Weekly Recyclers: "THANK YOU"

Without these dedicated people we would not have a program. Thank all of you who contribute *(this is a great group of dedicated people who offer their time to those in need)* your time to make this program a success. We start at 7AM Monday mornings and finish up around 9AM. **Any time** you can offer us is appreciated. We are always in need of walkers for the mobile home park at Lake Forest. Everyone has a great time and it is great camaraderie. Several of the group goes to Cocos or Woodys for breakfast after recycling. Please contact Gerry Dubois (949) 500-1064 or Hector Guzman (949) 301-6686 to join the fun. You can learn a lot about recycling.

Vehicle: **We are in need of someone who can do pick-ups at the mobile home park from 7AM - 8:30AM on Mondays...** Please contact Hector Guzman at (949) 301-6686.

Weekly Recycling a GREAT THANK YOU:

We have a great group of dedicated weekly recyclers and they are doing a tremendous job of clearing out the drop off area. We can always use more help for this important program. Please contact Al if you can give us a few hours during the week. We pair you up with someone to show you the ropes. Recycling is the major and very important program for our council to raise money and you are the key to this program. **We need your help and any help you can offer is greatly appreciated. This can be any time of day and we will pair you up with another person.** Be sure to drop off your recyclables anytime and spread the word "to all" that they can do the same.

God Bless,

George Nothhelfer
