Grand Knight's Report

Tom Sixsmith

My Brothers, it has been an honor and privilege to serve as your Worthy Grand Knight this past Columbian Year. I want to emphasize the SERVE aspect of this tenure, since it reflects the heart of what we do as Knights of Columbus. service to God, our parish, our community, our fellow Knights and our family. It is appropriate to also reflect on the many activities and accomplishments of this past year.

As I scrolled through the monthly calendar of events, I was struck by the sheer number of events we've held or participated in this past year. We held 39 Knight events during the year or averaging more than 3 per month. These events are opportunities for our fellow Knights to get involved, help the community and join in the camaraderie of being a Knight. These numbers don't include the many other non-Knight activities we support, such as the Camino, parish festival, hospitality and community services. Plus, I must mention the unsung heroes of our recycling group that spend untold hours behind the scenes supporting this vital fundraising effort. They deserve a hip-hip hooray!

Reflecting on some highlights of the past year, a few come to mind. Certainly, the Garden of Innocence was one of the most touching and moving events I've had the privilege to participate in. I believe the next one will be sometime in July and I highly recommend attending if possible. The Build-A-Bed was also another highlight of the year. Seeing so many Knights, kids and their families and fellow parishioners help take raw wood and turn it into a bed for a needy child, was fantastic to participate in. We've also expanded the number of burrito breakfasts, and car washes this past year. These events are proving to be great fundraisers, popular with the parish and another venue to get involved. Lastly, it is very inspiring to see the many new Knights that joined our ranks. The SDC exemplification of 10 new Knights in March was exceptional. My congratulations to all the new Brothers!

In closing, allow me to thank my fellow officers for their time, support, guidance and enabling me to fulfill the obligations of a Grand Knight. I've had the distinct privilege to lead one of the largest and most active councils in Orange County and it is through the efforts of all our Brothers that we continue to serve God, parish, community and family.

Thank you Brothers!

WGK

Tom

KNIGHT OF THE MONTH - JOSE LOPEZ

by: *Mark Angel, Advocate*

This month's Knight of The Month is our very deserving brother, Jose Lopez. Over 25 years ago Brother Jose joined our council. He and his wife of 49 years, Paty, have been members of our parish since 1986 when they moved to Lake Forest. They have 2 children, Jessica and Jonathan.

It was Jose's family that sparked his interest in the Knights. His wife was a Eucharistic Minister and his children were altar servers, as well as in the children's choir and the children's liturgy program. Brother Jose was inspired by his family's participation in our parish and decided he also wanted to get involved in our parish. Like so many other members of our council, Brother Ricardo Teano was instrumental in recruiting Brother Jose to join our council. Being a Knight has provided Brother Lopez with the opportunity to form many friendships and give to our parish community. He has been involved with numerous Knight's activities over the years.

Mark Angel

Jonathan, Jessica, Paty and Jose Lopez

For the past few years Brother Jose has mainly focused on two activities: The Blood Drive and the parish VITA program. He oversees the 3 to 4 blood drives our council puts on annually, in conjunction with the American Red Cross. For the 2 weekends before each blood drive, he recruits donors after each Sunday Mass. On the day of the blood drive he works with the red cross team in setting up the parish hall as a donor station, checks in the donors as they show up to donate, answers donor's questions, and does whatever is needed to make the donation process go smoothly. We have been told by the red cross supervisor that of all the Orange County donor stations, SDC is the most organized, smoothest run, and most consistent station. Your efforts are appreciated brother!

For the past two years Brother Jose has also volunteered with our parish VITA program helping parishioners prepare their tax returns free of charge. He feels this has also been a great way for him to give back to our parish community.

Since he retired, but still felt the desire to work, our brother has become a Medicare agent. This has enabled him to help friends, family, neighbors and parishioners who are 65 and older help navigate the complex Medicare system. This is yet another way Jose gives back to others.

As you can see, Brother Jose Lopez is truly deserving of this recognition as our June 2025 Knight of The Month. Thank you, brother, for setting such a good example and living the principles of Faith, Unity, and Fraternity.

FAMILY OF THE MONTH - MARIA & JOHNNE LEONCIO

by: **Ricardo Teano, Membership Committee**

May I mention right at the beginning that the officers selected Johnne and Maria as the family of the month without any hesitation. The frequent participation of the whole Leoncio family at the council and church activities has long been noticed and admired. Congratulations to this family that always stays together and prays together.

Ricardo Teano

Johnne has been a knight for 6 years. He admitted that it is through the diligent and consistent recruiting efforts of Ricardo Teano that he became a knight. He is currently a 4th degree and a highly visible Sir Knight as a member of the Knights' Color Corps Guard.

Let us summarize this family's interesting closeness to the church and Council.

Johnne:

- Member of the SDC parish council.
- Couples mentors for marriage ministry
- Knights color guard
- Assists in the sacrament of baptism
- Renewal weekend for men volunteer.
- Member of the Minstrels choir.

Maria (Kit):

- Assists in the sacrament of baptism
- Couples mentors for marriage ministry
- Volunteer for the Children's Liturgy Ministry.
- Candace and Jacob (children)
- Altar server
- VBS volunteer.

Clare (granddaughter)

- Member of the children's choir

Both Johnne and Maria were born and raised in Catholic families and have passed on their faith to their children. The whole family usually attends the noon Mass on Sunday and the Friday night Filipino Rosary group throughout the year.

There are innumerable activities and charitable organizations the Knights of Columbus has and continuously supports but among them, the activity that is close to Johnne's heart is the Garden of Innocence. His participation in being a color guard for the burial ceremony of the Garden of Innocence he said, is truly a blessing. The gift of being present for these innocent babies who were too soon taken from this world reminds him of the gift of life we are all given and how precious this life is and being given an opportunity to make a difference each breath and each day at a time that God has permitted us to be in this world. He feels truly blessed to be able to participate with his brother knights at the Garden of Innocence.

To all these, Johnne believes the Knights of Columbus Organization is an embodiment of Christ's love. It is through the different charitable works and involvement of the knights that put into practice the greatest commandments Christ has commanded us. To "Love God above all things" and to "Love thy neighbor as Christ has loved us "

Congratulations once again to the Leoncios as the appropriately selected Family of the Month as they practice their Faith together.

THE CURSILLO CHRISTIAN MOVEMENT

by: German Grepo

BRIEF HISTORY OF THE BEGINNING OF THE CURSILLO MOVEMENT

The Cursillo Movement did not happen by chance. God willed it to be. In 1941, the top council for young people in Catholic Action gathered 100,000 young men who lived in "God's Grace" for a pilgrimage to Santiago de Compostela in Spain. The beginning of the pilgrimage set the tone. It provided a spirit of moving onward. It was a spirit of brotherhood among fellow pilgrims who were striving together to reach the goal of a life fully given for the love of God and man. The pilgrim style had marked much of the spirituality of the Cursillo Movement. Born out of a spirit of renewal in the Church that preceded the Second Vatican Council, the Cursillo Movement originated in Spain in the early 1940's; therefore, many of the terms used in the Cursillo Movement are of Spanish origin. Bishop Juan Hervas of Mallorca, Spain and a dedicated layperson, Eduardo Bonin, were the two primary leaders of the first Cursillos in Christianity. The first Cursillo was held in August 1944 in Mallorca, Spain and its first Rector was Eduardo Bonin. The first Cursillo in the United States took place in Waco, Texas in 1957.

CURSILLO IN CHRISTIANITY

The Cursillo is an encounter with Christ. It is a movement of the Catholic Church which, by means of a specific method, makes it possible for people to live what is fundamental for being a Christian. Cursillo helps people discover and fulfill their personal vocations. It promotes the creation of core groups of Christians who leaven their environments with the Gospel.

Cursillo is a Spanish word that means "short course". It begins on Thursday evening and ends Sunday evening. Those attending, Cursillistas, live and work together during those three days listen to talks given by priests, deacons, and laypeople. The talks deal with topics about life, the Christian ideal, the Catholic faith, and a method to bring Christ into the modern world.

CHRISTIANIZING ENVIRONMENTS

The primary objective of the Cursillo Movement is to develop in adult Christians a consciousness of their ability and mission to become leaders of the Christian renewal in their environments. This "Christianizing of Environments" is what the Cursillo Movement is about.

MAY 2025 GENERAL BUSINESS MEETING MINUTES

By: Mike Byrne – Recorder

Father Thomas led us in a decade of the Rosary and opening prayers were said, meeting commenced at 7:30 pm.

Worthy Grand Knight Report:

Black Box this month is for Garden of Innocence. They have another burial coming up in July. This is a group that honors abandoned children and gives them a dignified burial. Please be as generous as you can. I'd like to recognize Father Thomas for joining us. Father:

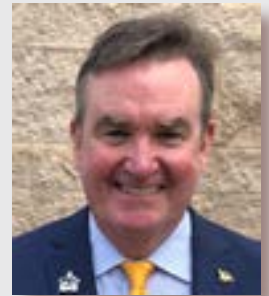

Father Thomas: Reminder about our Appreciation Dinner on June 7, make sure you RSVP through your ministry leader. Please pray, we might have a priest coming in residence, and he'll be helping with the Sacraments. Thank you for everything you do. I'll be telling Tom other projects the Knights can get involved in. Our Pastoral Council is planning our 50th anniversary which is in 2029. To 50 and beyond!

WGK Tom: Great job Steve with the newsletter, a lot of great articles again. The minutes were published for our April Meeting, I need a motion to approve the minutes as published. Motion, seconded, approved!

We had a very active April, a couple of dinners, the burritos, the car wash, Day of Sharing, and we will hear about those with the reports of committees. Of course we also had our Easter celebration, and sadly the passing of Pope Francis, and are waiting to see what new Pope will emerge. We had a nice picture of all the Knights at the exemplification on March 31st. We also have our slate of officers was presented for the next Columbian year. We'll also be honoring all the mothers with the rose fundraiser supporting Obria. Blood Drive coming up at the end of the month. Shout out to John Teeter, he did a great job on reducing our roster of some of our non-paying members. Mark Angel wrote a great article about Ray Harroun, the first winner of the Indy 500. Part of the reason he won was he was the only guy that installed the first rear view mirror. And a great book Mark dug up about the Knights in California from 1972-2002. Nice book.

SPRING IS HERE

By: Patrick Walloch

It's that time of year again when so many plants, flowers and trees, start the budding process. The trees start to grow back their leaves that they lost during winter. Beautiful flowers are springing up all around us. Spring is such a beautiful, magical time.

So too must we continue our journey. Lent and Easter have come and gone. Our soul is still striving to reach the finish line and take advantage of God's promise to raise us from the dead. Just like He did His Son.

So just like the dark days of winter slow most plants growth, we too can be slowed in our journey towards God by our sinfulness. Now is the time to take advantage of the new season and strive to sin no more.

SPRING CLEANING FOR OUR FINANCES

Many people this time of year are wrapping up spring cleaning around their home. But if you're like me, you might need a little nudge each year — a reminder to get started on that process.

Similarly, we could all use a reminder to do some “spring cleaning” for our finances.

Just as spring cleaning in your home might help you realize that a piece of furniture no longer suits your needs, we might also find that it's time to reconsider our financial strategy in light of our current life situation.

For example, have you recently gotten married, welcomed children, or made a career change? Do you have children heading off to college, or are you welcoming any grandchildren? It may be time to think about life insurance.

If you do have life insurance, when's the last time you reviewed your policy? Do you have coverage only through your employer? Now is a great time to ensure it matches your family's current needs.

Have you started preparing for retirement? Whether close to your golden years or still decades away, you can learn more about annuity options that give you a guaranteed income.

Additionally, through our affiliate Knights of Columbus Asset Advisors (KoCAA), you can maximize your contributions to your retirement and investment accounts. If you're close to retirement, you want to ensure that you diversify your retirement portfolio and have proper asset allocation that aligns with both your risk and return preferences. KoCAA can help you review your investment strategy to ensure you're on the right track to hitting your retirement goals.

You might find that things have changed in your life since your last “spring cleaning.” Even if it's been a while since you last reviewed your financial goals — or even if you're just getting started — I'm here to help. Let's set up a time to talk and make sure you have the coverage you need.

Thank you.

Catholic Investing

Let your faith guide your financial decisions

FATHER MICHAEL J. MCGIVNEY GUILD

I AM
A
KNIGHT

WE ARE Catholic men building a bridge back to faith. There is much work to be done in this world. Good work. Necessary work. And that's what the Knights do. Every day.

Assisting the sick and disabled. Protecting those who can't protect themselves. Whether they are next door or halfway around the world. This is the journey we are on. Our path.

We do it to be better husbands, fathers, sons, neighbors and Catholics. We invest our time, our effort, and our resources into our values: Charity. Unity. Fraternity. Patriotism.

We come from many places. And backgrounds. And stages in our lives. But we are all of one faith. A fraternity of men striving to better ourselves and our world.

It's one thing to say who you are. It's another to live it. To put your values into action. That's what we do at the Knights of Columbus.

That's who we are.

FATHER MCGIVNEY PRAYER

Father McGivney – may the example of your life
Serve to guide us in our mission
and our individual roles as Knights of Columbus.

May we always be faithful Catholics
and followers of your vision.
In doing so, help us to deepen our roles
as leaders in our parish and in our community.

May we be always supportive of our clergy
and responsible in building our Order.

Help us to be ever effective
in conceiving and carrying out our activities
in the church and in the world.

Blessed Father McGivney, pray for us.

Amen
