Grand Knight's Report

**Iron is sharpened by iron;

-Proverbs 27:17

Mike Byrne

Brothers,

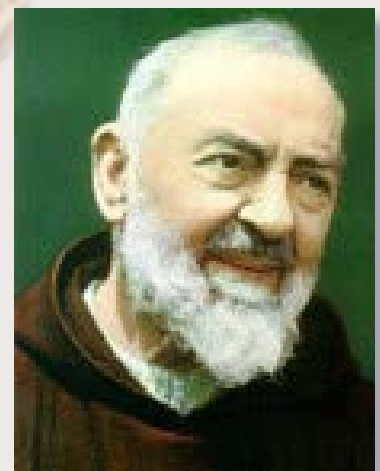

Our September activities: We had a successful but at times hectic Break-fast Burrito fundraiser the 14th. This is a great way to get involved, and you have to come to Mass on Sunday anyway, so please come early and/or stay late and help for our next one. The Car Wash on the 20th was well attended and a financial success grossing us \$1550. Thank you to the many brothers that showed up and worked hard, and a special thank you to Cori Matsumiya who worked very hard herself and rounded up a lot of youth volunteers for us. Our Saturday Recycling on 9/27 started fairly strong but the cars coming through dried up quickly. We had a great turnout from the youth ministry, at times outnumbering the brother Knights. We will try this again in November, but will use an insert in the bulletin to get more visibility. Please encourage your friends and neighbors to support us by bringing their recycling down!

Some dates to remember for October:

- 10/1 General Meeting,
- 10/2 First Friday Adoration,
- 10/4 March for Life at Christ Cathedral,
- 10/7 Brizio's Fundraiser,
- 10/12 Coffee & Donuts,
- 10/15 Officer's Planning Meeting,
- 10/18 Campus Cleanup,
- 10/25,26 All-Hallows Festival.

Please attend as many of these events as you can, **especially the Campus Cleanup**, which had a sparse turnout last time.

Our "Saint of the Month" for October is Francesco Forgione, officially known as Saint Pio of Pietrelcina, and known lovingly to many Catholics around the world simply as Padre Pio. He was born in Italy in 1887 and lived through both world wars. He developed the stigmata in 1918, and it persisted for the following fifty years until his death. He said he knew from the age of five that he wanted to dedicate his life to God. Although a devout and holy man loved by many during his life, he went through many trials as his stigmata was questioned as being fraudulent. He was purported to have the ability to bi-locate, including into the air to fend off allied bombers! The town of San Giovanni Rotondo where his monastery was located was never bombed during the war, and pilots that visited the town after the war recognized the "flying" monk as Padre Pio.

Saint Padre Pio

May almighty God Bless and protect us and our families.

Our Lady of Guadalupe, pray for us!

A FEW OBSERVATIONS BY YOUR DEPUTY GRAND KNIGHT

by: DGK Mark Angel

When I was in college I was taught the sandwich approach in my business psychology class. This technique was to be used when addressing an issue that an employee needed to improve upon. The sandwich approach was basically: begin by complementing something the employee had done, then address the behavior that needed improvement, and conclude by giving the employee another complement.

Mark Angel

Our council's 2025 Dinner "On The Pavillion" was truly a 5-star event. The atmosphere and decor were first class, the food was outstanding, and the raffles consisted of very desirable prizes. It was a great evening of fraternity and unity as well as much charity from those who prepared and worked at the event.

On the other hand, the last two parish clean ups and the last blood drive were not very good examples of our KoC principles. The participation by member brothers was dismal at best. I know summer vacations, children's/grandchildren's activities, work factors, all kept some brothers from being able to participate and that is understandable.

We have about 270 members in our council, and the last 2 parish clean ups had less than 10 brothers participating. The last blood drive only had 2 brothers volunteering. I am not talking about those who donated blood but rather the lack of brothers who responded to the request to help work at the blood drive. I hope more brothers will volunteer their time and talents in the future when called upon.

Council 9487 once again achieved a star council rating due to the efforts of many of our members. That is certainly an achievement to be proud of! Thank you for doing your part in earning the star council.

I would also like to express my appreciation to the brothers who told me about their 1967 Ranchero, 1967 Camaro, 1969 Camaro, VW Rabbit, 1964 Skylark convertible, and Chevrolet El Camino. I appreciate the fact that you read the newsletter and I enjoyed hearing your car stories.

Finally, I was asked and agreed to take on the responsibility of staffing our First Friday Adorations. I will have a sign-up sheet at the next business meeting. I think this is one of the most important actions our council is asked to do. Please, if you do not already do so, sign up to spend an hour in Adoration of Our Eucharistic Lord each first Friday of the month.

4th DEGREE CHALICE TO NIGERIA

by: John Ojeda PGK

Most of us had the opportunity to hear a Homily about Faith and Faithfulness from visiting Priest Fr Uche Onyekwelu. He is visiting from Nigeria, state of Agwu.

The Knights of Columbus have donated Chalices to the Philippines, South America, Europe, Africa, Seminarians, and local Churches. We may now add providing a Chalice to Agwu, Nigeria. This was the Chalice used November 2024 at the Mass of Remembrance.

Fr. Uche is excited to use this Chalice when he returns home later this year:

AUGUST BLOOD DRIVE

by: Mark Angel DGK

On Tuesday August 12 our Knights of Columbus Council 9487 partnered, once again, with the American Red Cross to host a blood drive. Brother Jose Lopez coordinated the event. He recruited donors at the Sunday Masses for 2 week-ends prior to the blood drive. On the day of the blood drive, he assisted the red cross workers in setting up the blood drive in our parish center. Along with Brother Mark Angel he checked in all the donors from 1PM to 7PM.

Mark Angel

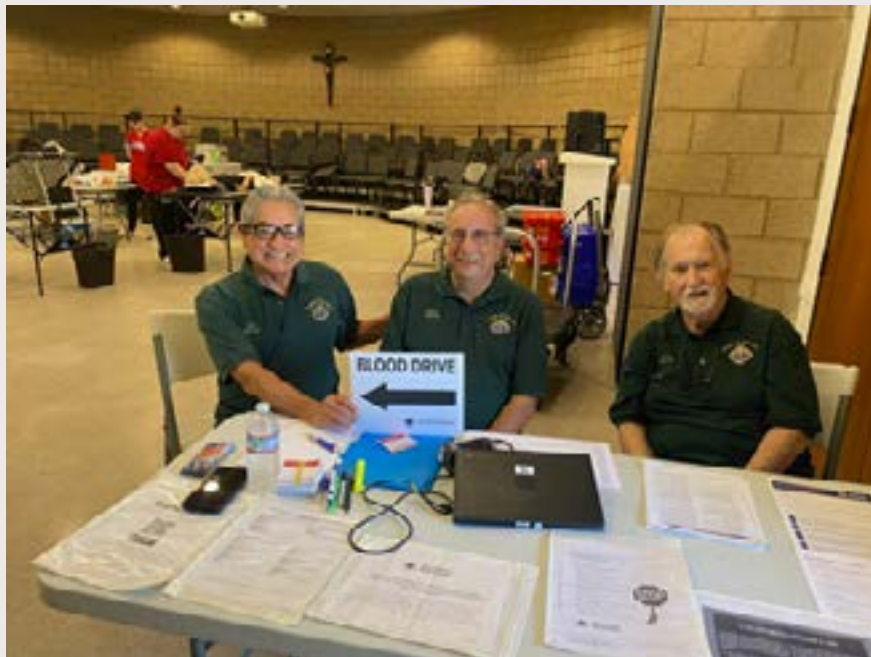

The Red Cross has designed the blood drive so that 56 donors can give blood on the day of the blood drive. They set a goal of collecting 38 units of blood. We had 46 appointments scheduled. 15% of the donors were first time donors and the goal of collecting 38 units was met. The American Red Cross deemed this blood drive to be a success. Thank you to all who donated and to Brother Jose Lopez for all of his efforts.

After leading our blood drives since 2019, Brother Jose Lopez has decided that it is time for him to resign from this responsibility. Council 9487 is very grateful for the outstanding work Brother Jose has done to make these blood drives successful. The local chapter of the Red Cross has said that ours are always the best run and most organized blood drives.

It is time for another brother to step up and take over and head up this program. We usually have three blood drives in a calendar year. The leader solicits donors for two weekends preceding each blood drive but the red cross contacts all previous donors; which is where the majority of the donors come from. The lead person has some communications with the red cross and helps out on the day of the blood drive, which is always on a weekday from 12:30pm to 7:30pm.

Please contact our Grand Knight, Mike Byrne if you are interested in taking on this very worthwhile responsibility. It is a wonderful opportunity to live our principle of charity.

Finally, in memory of our deceased brother Tom Haas, I am publishing this picture of a blood drive from 2 years ago at which brother Tom helped out.

Mater Delarosa Retreat – *You need to get signed up for the retreat:* This retreat is much different than that put on by the parish. The retreat is coming up quickly and our date for retreat is October 10 – 12Th. This is one of the most 'life changing' retreats that you can attend. The retreat area is most relaxing (surrounded by the mountain's and wildlife), it beckons you to examine yourself and will provide you greater inner peace. The meals are fabulous. This is a time of silent inner reflection that you will find more about yourself than you can imagine. You owe it to yourself to go. We leave the church around noon on Friday and carpool up to Siera Madre and return home around 12 pm on Sunday. This is a retreat you will never forget.

I HAVE PROVIDED THE INFO BELOW TO SIGNUP:

We URGENTLY need walkers and a TRUCK at the Lake Forest Mobile Home Park and sorters at the barn. It only takes about one hour or if you can come for 1/2 hour, we can use you. Anyone who can help us out - please contact Hector Guzman at (949)301-6686.

Thanks to all of you who contribute your time to make this program a success. We start at 7AM Monday mornings and finish up around 9AM. LIFE INSURANCE - LIVING BENEFITS

October 2025 Council Message

Did you know some life insurance policies include living benefits?

Do yours?

Certain policies offer benefits during your lifetime – these are known as “living benefits.”

One such benefit is a whole life insurance policy’s cash value, which can grow taxdeferred. You can access it during your lifetime either through a partial loan or a full surrender of the policy, or as collateral. You would have this at your disposal to help with a down payment, tuition, to supplement your income in retirement, or in case of emergency.

Secondly, living benefit riders, which you can add to a whole life policy, can help make funds available to you if you’re diagnosed with a chronic or terminal illness.

No one expects a devastating diagnosis, but if it happens, you’ll be able to put your whole life insurance policy to work immediately — while you and your family need it.

One of those riders is the new Chronic Illness Armor rider, which helps guard your family against the financial strain of a chronic health diagnosis. For a modest premium, this rider allows you to access your policy death benefit to cover mortgage payments, medical bills or any other expenses that come in the wake of a chronic illness. There are no restrictions on what you can use the accelerated benefits for!

The Terminal Illness Rider will also accelerate your death benefit and can help provide funds if you receive a terminal diagnosis that shortens your life expectancy. Like the Chronic Illness Armor rider, this benefit can be used to cover anything from a family trip to end-of-life expenses.

In short, life insurance with living benefit riders can help your family prepare not just for an unexpected death, but also serious illness through a means that allows you to use your benefits during your lifetime. It’s a daunting scenario to consider, but if it does happen, financial relief is possible.

Set up time to meet with me, and we’ll create a personalized insurance plan that matches your needs.

Most Fraternally,

Mark Yubeta, Financial Advisor, Knights of Columbus Asset Advisors, 949-322-7266

I AM
A
KNIGHT

WE ARE Catholic men building a bridge back to faith. There is much work to be done in this world. Good work. Necessary work. And that's what the Knights do. Every day.

Assisting the sick and disabled. Protecting those who can't protect themselves. Whether they are next door or halfway around the world. This is the journey we are on. Our path.

We do it to be better husbands, fathers, sons, neighbors and Catholics. We invest our time, our effort, and our resources into our values:
Charity. Unity. Fraternity. Patriotism.

We come from many places. And backgrounds. And stages in our lives. But we are all of one faith. A fraternity of men striving to better ourselves and our world.

It's one thing to say who you are. It's another to live it. To put your values into action. That's what we do at the Knights of Columbus.

That's who we are.
